Cocoknits B&W Triangle Stitch Markers

Inspired by a classic shape, our new Triangle Stitch Markers are designed to stand out from your knitting. They slide easily along your needle, and the bold black & white colors will stand out against any yarn color.

- Each set of markers includes 6 of each size and color (36 total).
- Packaged in an uncolored steel tin with hinged logo-embossed lid. (38mm X 38mm X 15mm)
- Tin and markers all cling to the Cocoknits Maker's Keep.

The Plan:

Our plan is to offer these to shops for sale only from October 1st to Dec 31st 2018. If there are any quantities left after this period, they will be used for special promotions, but no longer available for ordinary ordering.

- Please order beginning in July for Fall/Holiday shipping and sales to your retailers.
- If you would like to offer these for an exclusive event before the Fall, please let us know.

Please feel free to share any promo or “buzz” creating ideas you have for this Limited Edition set, and let us know if you have any further questions.
