

## Starline AL

Premium Passthrough Dishwasher  
**W 750mm x D 750mm x H 1530mm**

The Starline AL is a premium passthrough dishwasher that features our most advanced technologies, including our assured rinse and advanced filtration systems, alongside premium touches such as full thermal and acoustic installation to provide an optimal working environment around the machine. The AL's intuitive electronic controls provide Soft Start, EcoPower, customisable cycles, chemical adjustability and immediate fault diagnosis.

With economical water consumption rates and powerful rinse heating, the AL provides excellent wash results while being light on operating costs and the environment. The powerful wash pump enables shorter cycles of 40, 60 and 90 seconds, making the AL the perfect machine for fast paced kitchens.

Since 1981 Washtech dishwashers have been constructed in New Zealand from heavy-duty stainless steel, and are engineered specifically for New Zealand conditions and regulations. Backed by the most extensive service network and spare parts inventory in the region, your AL will not let you down.
