

BAKERY RANGE

YOU MAKE THE DOUGH WHILE WE SAVE YOU DOUGH

Since 1981 Starline warewashers have been engineered specifically for New Zealand conditions and are supported nationwide by the best service network in the industry.

Washtech Warewashers:

- Provide unrivalled product reliability and longevity;
- Are hand made from heavy duty stainless steel;
- Feature intuitive controls with easy to read displays;
- Are constructed locally to be easy to maintain and service;
- Can be customised to your requirements; and,
- Have multiple cycle options for various wash needs.
- Heat Recovery solutions available on select models, providing reductions in emissions and operating costs.

Talk to a Starline dealer today about how the latest warewashing solutions will benefit you and your customers

PW2

Componentry	Heavy duty stainless steel
Wash power	4.0HP
Capacity	480 baking trays per hour
Chamber size	Width: 1100mm Depth: 50mm Height: 750mm
