

PW1C

Front Loading Warewasher including Heat Recovery Unit W 680mm x D 780mm x H 2065mm

Starline warewashers are built to improve the efficiency of operations washing oversized and/or heavily soiled items, from bakeries to production kitchens, supermarkets to hospitals.

The PW1C is a powerful, highly durable, simple-to-use and easy-to-maintain front load warewasher. It features Starline hybrid controls which combine IP67 stainless switches, tried-and-tested switchgear, with a customisable electronic timer. Built with a large wash chamber and carefully counterbalanced split door, the PW1C is ideal for washing baking and GN trays, bins, bowls and other oversized items.

The PW1C also features a highly efficient heat recovery unit which ensures minimal energy consumption and steam emissions, for even lower operating costs and an improved working environment.

Since 1981 Starline dishwashers have been constructed in New Zealand from heavy-duty stainless steel, and are engineered specifically for local conditions and regulations. Backed by the most extensive service network and spare parts inventory in the region, your Starline PW1C will not let you down.

Special Features

- Suitable for installation without an extraction canopy in many situations*
- Integrated heat recovery unit which preheats the cold water supply, significantly reducing steam emissions, energy consumption

Standard Features

- Versatile 2.5, 4.5, 6.5 minute wash cycles
- Large internal wash chamber with useable area of W 565mm x D 600mm x H 750mm
- Low cold water consumption of 2.6 litres per cycle
- Starline hybrid controls
- Easy installation supplied with:
 - Water supply hose
 - Detergent and rinse aid pumps with injector lines
 - No commissioning required
- Internal upper rail with optional and adjustable tines suited for hanging ladles, whisks and/or washing up to 10 baking or GN trays (up to 40mm deep) per cycle
- High powered wash system
- Suitable for connection to low inlet water temperature and/or pressure (break tank and rinse pump fitted)
- Heavy-duty stainless steel construction and wash manifold
- Robust stainless steel wash and rinse arms with precision stainless steel jets
- Double heavy duty stainless steel filtration system including dual scrap trays and separate wash inlet filter
- Wash chamber easily accessible via insulated counter-sprung split door
- Comprehensive 12 month Starline warranty

Includes:

- 1 x 500mm x 500mm dish rack (600 70028)
- 1 x 500mm x 500mm cup rack (600 70029)
- 1 x cutlery basket (C660508)
- 1 x 435mm cup cover (k0452)
- 1 x potwasher rack grid (824 30001)
- 1 x upper hanging rail with adjustable tines (824 10228)

* Full certificate and conditions from SEED available on request

Cu		0.05
Cl ₂		0.1

Refer operator manual for installation instructions. Isolating switch must be within 1m of, and not directly behind the machine.

* Connection on lower power rating will reduce the wash and rinse heating, and delay the operation of the machine.
