Premium Undercounter Dish/Glasswasher – 500mm Rack W 600mm x D 635mm x H 845mm

The Starline Premium Range are the most technologically advanced dishwashers in the Starline line up. They are built to deliver the best wash results alongside the latest enhancements such as advanced electronic controllers, soft close doors, advanced filtration full thermal, and acoustic insulation to provide an optimal operating environment around the machine. Our assured rinse system ensures consistently great rinsing every cycle, while the soft start functionality protects your glassware and crockery.

The Starline UL is the direct upgrade of the ever popular UL. Perfect for bars, cafes and other locations where high performance is required in a cool, calm environment. It is now possible to customise the colour of your UL to better match the style of your business, with a wide range of colours and finishes available.

Starline dishwashers have been made in New Zealand since 1981 and are engineered specifically for our unique local conditions and regulations. The renowned reliability of the machines is also backed by the most extensive service network and spare parts inventory in the country, ensuring that your Starline will not let you down.
