

XG

Signature Undercounter Glasswasher – 435mm Rack **W 500mm x D 530mm x H 775mm**

The Starline XG is our most compact glasswasher, and with a width of just 500mm and depth of 530mm the model is ideal for the tightest of locations.

With our famously reliable electromechanical controls the XG is a great option for most pubs and bars given it is a simple to use, easy to service machine that delivers excellent glasswashing performance along with exceptionally low operating costs. Using just 1.5 litres of water per cycle, the XG is as good for the environment as it is for your business.

Starline dishwashers have been made in New Zealand since 1981 and are engineered specifically for our unique local conditions and regulations. The renowned reliability of the machines is also backed by the most extensive service network and spare parts inventory in the country, ensuring that your Starline will not let you down.

Standard Features

- Quikstart 1 minute glasswashing cycle
- Washes up to 540 glasses per hour
- QuikConnect Installation with everything you need including:
 - Water supply hose
 - Dual detergent and rinse aid pumps with injector lines
