

Starline XL

Heavy Duty Passthrough Dishwasher
W 750mm x D 765mm x H 1530mm

The Starline XL is a powerful, versatile, simple-to-use and easy-to-maintain passthrough dishwasher. With world class water consumption rates, high performance 1.5HP wash pump, and rapid rinse heating the Starline XL is highly productive, economical to operate and light on the environment.

The XL features Washtech hybrid controls which combine IP65 stainless switches and tried-and-tested switchgear with a customisable electronic timer. In addition it is equipped with a heavy duty stainless steel wash manifold and scrap trays, and is supplied suitable for connection to either single or three phase power supplies.

Since 1981 Washtech dishwashers have been constructed in New Zealand from heavy-duty stainless steel, and are engineered specifically for New Zealand conditions and regulations. Backed by the most extensive service network and spare parts inventory in the region, your XL will not let you down.

Standard Features

- 40, 60 and 90 second cycles – autostart upon hood closure
- Capacity of up to 1,620 plates per hour
- Low hot water consumption of 2.4 litres per cycle
