

# Australian Aluminium Mobile Scaffold [Foldable System]

Australia's quickest, compact, mobile scaffold

## Completely changes the way you work

**Go anywhere indoors, outdoors, or on the go**  
Must-have size: 1.44m L x 0.74m W.  
Fits through doorways, corridors, tight spaces.  
Foldability for taking on the go or storing away.  
Adjustable wheels options available for uneven surface or fine height adjustment.

**Wonderfully light and sturdy**  
Welded aluminium tube construction.

**Mobile workflow**  
One time setup and keep on going with lockable wheels.

Protecting every user.

## Built for safety

**Proven safety**  
Maximising work safety in a fenced enclosure.  
Structural welding 1554 Australian Standards.  
Certified to AS/NZS1576 Australian Standards and WorkCover.  
Load rating 225kg.

**Structural integrity**  
Engineered for Australia.  
2mm reinforced tube walls.  
Welded tube & secured connectors reduce shake.  
Rigid lightweight aluminium construction.  
Hard density castor wheels.

Fast, compact, mobile

## Easy working

**Incredibly safe & fast setup**  
Foldable V-Frame for instant setup.

Includes all the required parts upfront

## All in

**Conveniently compact foldable internal ladder**  
Required for 5.5m and 6m reachability.

**Preventing fallen objects with Toe board**  
Required 5.5m and 6m reachability.

**Secured individually adjustable stabiliser legs**  
Required when using 5.5m and 6m reachability

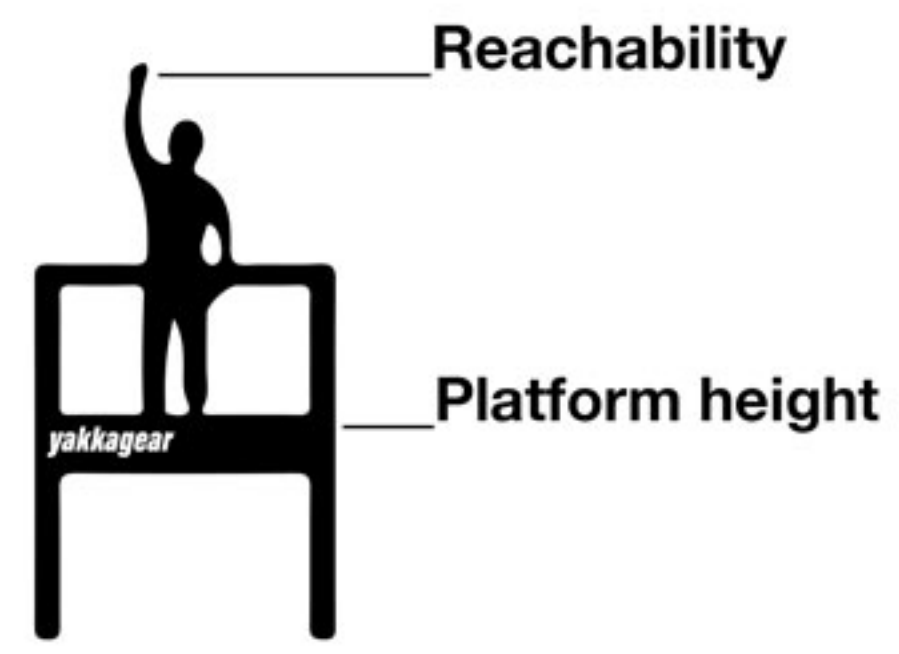

Choosing your size

## Platform height & reachability

**Platform Height**  
Height to stand on.

**Reachability**  
Height reachable when on top of the platform.  
+2m from platform height for arm's reach.

Must-have wheels

## Generously adjustable

**Individually adjustable wheels**  
Fine tune approx. 300mm height adjustment, and use on even surfaces with the 6" Adjustable Castor Wheels toolkit.

**2-in-1 system**  
6m Reachability setup allows you to separate into 2x smaller towers.  
Includes 1x set 5" standard castor wheels, 1x set 6" adjustable castor wheels.

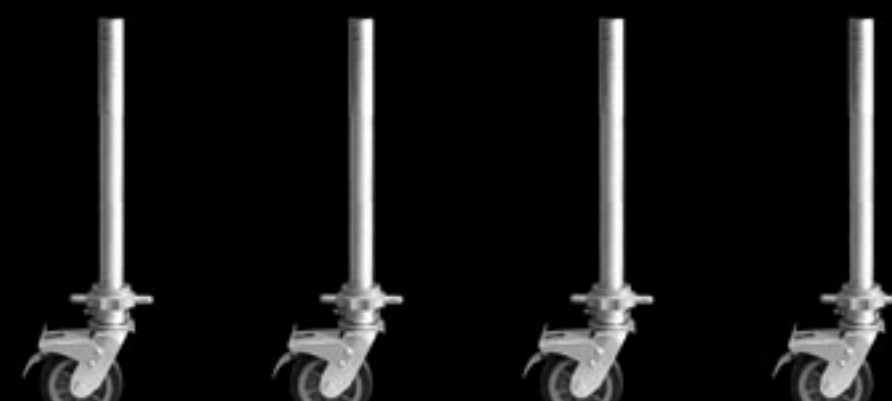

### 3.25m Reachability

<b>Platform height</b>	0.34m to 1.2m
<b>Structural size</b>	1.44m Lx 0.74m W x 1.85m H
<b>Toolkits</b>	Base
<b>Wheels</b>	5" castor wheels
<b>Package size (approx.)</b>	1.89m x 0.78m x 0.23m, 36kg
<b>Contents</b>	<b>Base toolkit</b> 1x Foldable V-Frame 1x Platform with hatch 1x Horizontal brace 4x 5" Castor wheel

### 3.6m Reachability

<b>Platform height</b>	0.34m to ~1.6m
<b>Structural size</b>	1.44m Lx 0.74m W x ~2.25m H
<b>Toolkits</b>	Base Adjustable wheels
<b>Wheels</b>	5" castor wheels, 6" adjustable castor wheels
<b>Package size (approx.)</b>	1.89m x 0.78m x 0.23m, 36kg 1.10m x 0.25m x 0.25m 17kg
<b>Contents</b>	<b>Adjustable wheels toolkit</b> 4x 6" Adjustable castor wheels
	<b>Base toolkit</b> 1x Foldable V-Frame 1x Platform with hatch 1x Horizontal brace 4x 5" Castor wheel

### 3.8m Reachability

<b>Platform height</b>	0.34m to 1.74m
<b>Structural size</b>	1.44m Lx 0.74m W x 2.8m H
<b>Toolkits</b>	Extension Base
<b>Wheels</b>	5" castor wheels,
<b>Package size (approx.)</b>	1.52m x 0.78m x 0.14m 11kg 1.89m x 0.78m x 0.23m 36kg
<b>Contents</b>	<b>Extension toolkit</b> 2x Guard rail 3x Horizontal brace
	<b>Base toolkit</b> 1x Foldable V-Frame 1x Platform with hatch 1x Horizontal brace 4x 5" Castor wheel

### 4.2m Reachability

<b>Platform height</b>	0.34m to ~2.2m
<b>Structural size</b>	1.44m Lx 0.74m W x ~3.2m H
<b>Toolkits</b>	Extension Base Adjustable wheels
<b>Wheels</b>	5" castor wheels, 6" adjustable castor wheels
<b>Package size (approx.)</b>	1.52m x 0.78m x 0.14m 11kg 1.89m x 0.78m x 0.23m 36kg 1.10m x 0.25m x 0.25m 17kg
<b>Contents</b>	<b>Extension toolkit</b> 2x Guard rail 3x Horizontal brace
	<b>Base toolkit</b> 1x Foldable V-Frame 1x Platform with hatch 1x Horizontal brace 4x 5" Castor wheel
	<b>Adjustable wheels toolkit</b> 4x 6" Adjustable castor wheels

Separates into 2x towers

## 2-in-1 system

### 5.5m Reachability

<b>Platform height</b>	0.34m to 1.74m, 3.5m
<b>Structural size</b>	1.44m Lx 0.74m W x 4.5m H (ex. adjustable stabiliser legs)
<b>Toolkits</b>	Extension Tower Base
<b>Wheels</b>	5" castor wheels,
<b>Package size (approx.)</b>	1.52m x 0.78m x 0.14m 11kg 2.03m x 0.78m x 0.24m 40kg 1.89m x 0.78m x 0.23m 36kg
<b>Contents</b>	<b>Extension toolkit</b> 2x Guard rail 3x Horizontal brace
	<b>Tower toolkit</b> 2x Frame 2x Diagonal brace 1x Platform with ladder & hatch 2x Adjustable stabiliser leg 1x Toe board
	<b>Base toolkit</b> 1x Foldable V-Frame 1x Platform with hatch 1x Horizontal brace 4x 5" Castor wheel

### 6m Reachability

<b>Platform height</b>	0.34m to ~2.2m, 3.5 to ~3.95m
<b>Structural size</b>	1.44m Lx 0.74m W x ~4.9m H (ex. adjustable stabiliser legs)
<b>Toolkits</b>	Extension Tower Base Adjustable wheels
<b>Wheels</b>	5" castor wheels, 6" adjustable castor wheels
<b>Package size (approx.)</b>	1.52m x 0.78m x 0.14m 11kg 2.03m x 0.78m x 0.24m 40kg 1.89m x 0.78m x 0.23m 36kg 1.10m x 0.25m x 0.25m 17kg
<b>Contents</b>	<b>Extension toolkit</b> 2x Guard rail 3x Horizontal brace
	<b>Tower toolkit</b> 2x Frame 2x Diagonal brace 1x Platform with ladder & hatch 2x Adjustable stabiliser leg 1x Toe board
	<b>Base toolkit</b> 1x Foldable V-Frame 1x Platform with hatch 1x Horizontal brace 4x 5" Castor wheel
	<b>Adjustable wheels toolkit</b> 4x 6" Adjustable castor wheels

Proudly Aussie owned business

## Over 4,500+ served

Proudly serving over 4,500 Aussie Businesses, Tradies and Home Renovators since 2014. Australian owned business and Australia wide locations.
