PRE-ROLL WEIGHING MODULE

STM LAUNCHPAD

PRECISE PRE-ROLL WEIGHING MODULE

\$35,000

Weighing 72 joints simultaneously in a matter of seconds - the LaunchPad module gives your staff the ability to dramatically increase speed, view the weight of each individual pre-roll and identify rejects in an instant with a color-coded display. With this new innovative module, your operation will benefit from reduced labor hours, the ability to maintain precise quality control over the weight of your pre-rolls and maximize profits attributed to under or over filling.

- **The First & Only Modular, Commercial Pre-Roll Scale**
- **72 Joints Weighed Simultaneously**
- **Target Weight, Tare, and % Tolerance Settings**
- **LCD Display with Pass/Fail Color-Coding**
- **Ultra-Precise Weight Readings for Each Individual Joint**
- **Small, Compact Footprint**

WHY THE LAUNCHPAD?

CUSTOMIZABLE PARAMETERS

Perfect for ensuring every batch of pre-rolls produced meets your desired specs. With a simple-to-use interface, operators can define the scale's parameters by selecting the target pre-roll weight, paper weight (for proper taring) and most importantly - the desired tolerance percentage. Stay compliant with industry regulations and mitigate risk, all while significantly decreasing tedious labor hours.

WEIGH SIMULTANEOUSLY

Even the smallest discrepancies in weight can mean the difference between profit and loss. The LaunchPad gives operators the power to identify rejects instantaneously via an easy pass/fail color-coded display and precise weight readings for each individual pre-roll. With this exceptional time-saving tool, you'll be able to make quick adjustments and eliminate one of production's biggest bottlenecks.

SCALABLE MODULAR SYSTEM

Because we know every square foot of your grow or retail shop comes at a premium, we've designed the LaunchPad and all STM modules with an ultra-small footprint so you can maximize every bit of facility space possible. Whether you're a craft cultivator or an MSO, STM's fully modular system enables you to build-as-you-go so your setup can grow right alongside your needs and allow you to scale rapidly.

COMPLETE PRE-ROLL SOLUTIONS

MODULAR SYSTEMS FOR COMPANIES OF ALL SIZES

GRIND.

PACK.

WEIGH.

FOLD.

Step 1.

Grind and prep flower with the Revolution.

Step 2.

Add papers, then place trays into RocketBox. Add material to fill and pack.

Step 3.

Place filled tray onto LaunchPad for a quick QC on weights.

Step 4.

Add tray into the Closer and press Go. Folded joints are dispensed for easy collection.

STM TURNKEY PRE-ROLL PACKAGES

Each package includes two days of free on-site training anywhere within the continental United States.

STANDARD \$119,280

(2) Mini-RocketBox Pre-Roll Machines

INCLUDED ACCESSORIES

- (2) 72-Joint Top Trays
- (4) 72-Joint Bottom Trays
- (2) Mini Loading Boxes
- (2) Density Test Cylinders

(1) Revolution 2.0 Cannabis Grinder

INCLUDED ACCESSORIES

- (1) Dual-Blade Set
- (1) Fine Particle Screen
- (1) Coarse Particle Screen
- (1) Pair of Cut-Proof Safety Gloves

(1) LaunchPad Weighing Module

INCLUDED ACCESSORIES

- (1) Rolling Storage Case

(1) Atomic Closer Module
