ATOMIC CLOSER

ADVANCED PRE-ROLL FOLDING MODULE

Approx. 18" W x 37" L x 31" H

# STM ATOMIC CLOSER

PRE-ROLL FOLDING MODULE

$49,000

The only modular pre-roll closing machine on the market designed to incorporate human touch for true premium quality look and feel. Boasting an ultra compact footprint, this one-of-a-kind system can operate on a tabletop in facilities of all sizes, eliminating the industry's #1 pre-roll bottleneck.

- **Folds Ends into Beautiful, Consistent Crown**
- **No Twisting Or Snipping - Avoid Runs and Canoeing**
- **72 joints every 45 seconds**
- **Modular System Allows Facilities to Scale Easily**
- **Fastest Automated Closer on the Market**
- **Simple to Clean and Maintain**

2-YEAR WARRANTY

OSHA COMPLIANT

MADE IN USA

CLOSES UP TO

1440

PRE-ROLLS PER HOUR
(1-TRAY*)

Optimized for use with the STM RocketBox

Compatible with any pre-roll machine

43 times faster than the human hand

LIMITED STOCK AVAILABLE

★ IMPROVE QUALITY   ★ REDUCE LABOR   ★ INCREASE PROFITS

Compared to an average of 43 minutes per 100 joints with it's closest competitor and manual closing, the Atomic Closer paired with an STM pre-roll machine can produce 100 joints start to finish in just under 3.5 minutes.

CLOSES UP TO

11,500

PRE-ROLLS DAILY
(1-TRAY*)

2 seconds per joint from start to finish.*

When used with STM pre-roll machines. Compared to over 25.80 seconds per joint with competitors.

*ADD MORE TRAYS TO INCREASE CAPACITY AND OUTPUT
