

Date: 08-23-22

Chemical name : **CannaClean SC-1**

Substance/Regulatory Specification	YES	NO
<b>Does this material contain any of the following?</b>		
<b>DEHP {Di(2-ethylhexyl) phthalate}</b>		X
<b>BPA (bisphenol A)</b>		X
<b>DIPN (Diisopropyl Naphthalene)</b>		X
<b>Heavy Metals (&gt; 100 ppm level) including cadmium, lead, hexavalent chromium and mercury</b>		X
<b>Chloride Bleach</b>		X
<b>Utilizes animal tissue or its derivative</b>		X
<b>Natural rubber latex</b>		X
<b>PFOS (Perfluoro octane sulfonate)</b>		X
<b>Is this material compliant to Animal Derivatives per EU 722?</b> Contains no animal products	X	
<b>Is this material RoHS compliant to current standards?</b>	*	
<b>Is this material REACH compliant to current standards?</b>	**	

Shelf Life	Yes <b>X</b>	No
If yes, how long?	1 Year	

**\*EU Directive 2011/65/EU (RoHS)**

Tovatech LLC does not routinely analyze for additional materials that are not listed in the SDSs or Sales Specifications. Your inquiry addressed EU Directive 2011/65/EU, as amended by EU Directive 2015/863/EU, on the restriction on the use of certain hazardous substances in electric and electronic equipment (RoHS). This directive contains restrictions on the following materials in electric and electronic equipment: lead, mercury, cadmium, hexavalent chromium, polybrominated biphenyls (PBB), polybrominated diphenyl ethers (PBDE), bis(2-Ethylhexyl) phthalate (DEHP), benzyl butyl phthalate (BBP), dibutyl phthalate (DBP) or diisobutyl phthalate (DIBP). None of these materials are added to the manufacturing process of this product.

While Tovatech LLC does not specifically test for these substances, based on our knowledge of the manufacturing process, statements from the ingredient manufactures and the handling and storage conditions, they are not expected to be present.

**\*\*REACH Status**

The surfactants in this formula are REACH Compliant up to 1 ton per year each.

The substances listed in the current candidate list of SVHC published by the European Chemicals Agency (ECHA) are not used in the manufacture of this products and are not intentionally added to the manufacturing process.

While Tovatech LLC does not specifically test for these substances, based on our statements from the ingredient manufacturers, manufacturing process and the handling and storage conditions, they are not expected to be present in our products at concentration levels above 0.1% by weight
