**ULTRA-CLEAR Health Certificate**

ULTRA-CLEAR is composed of Fullers Earth (attapulgite type clay). Fullers Earth is on the list of **Substances Added to Food** (formerly EAFUS) according to the United States FDA. The list of Substances Added to Food (formerly EAFUS) dated June 2018 is from a database maintained by the FDA Center for Food Safety and Applied Nutrition under the Priority based Assessment of Food Additives program. The list of Substances Added to Food (formerly EAFUS) contains ingredients added directly to food that FDA has either approved as food additives or listed or affirmed as Generally Recognized as Safe (GRAS).

The product is manufactured by Oil-Dri Corporation of America in its Georgia USA facility.

This Certificate is applicable to any shipment purchased by you until the earlier of December 31, 2022 or the date it is revoked by mailing written notice to you.
