

DRY BRUSH

EXFOLIATING & INVIGORATING

WOOD BODY, SISAL BRISTLES, COTTON STRAP

This wood and sisal bristle dry brush sloughs away dead skin cells for softer, more radiant skin. Featuring a cotton logo-printed strap and a reminder to take care imprinted into the wood, it's a great addition to your clients' pre-shower rituals.

HOW TO USE

On dry skin, use gentle upward strokes starting at your ankles and work your way towards your head. For legs and arms, use long strokes towards your heart, and for the stomach, chest, and back, use circular motions.

PAIRS WELL WITH

All Body Wash for nourished, silky skin.
