

# SCRUB SET

## TREATMENT PROTOCOL & PRODUCT KNOWLEDGE

Ready, set, glow. This set features our two best-selling exfoliators so you can custom-fit your clients' routine based on their individual skin and hair needs. Silk Scrub gently exfoliates using jojoba beads, 11% AHAs, and fruit enzymes, and can be used on sensitive skin post-hair removal. KP Body Scrub powerfully exfoliates using perlite and 14% active AHAs, and removes excess buildup of keratin in your pores that causes bumps.

### SILK SCRUB

Head to toe gentle exfoliator  
Targets ingrowns and discoloration  
11% AHAs  
Gently exfoliating jojoba beads  
Best for more sensitive skin types

### KP BODY SCRUB

Powerful body exfoliator  
Targets bump and Keratosis Pilaris  
14% AHAs  
Intensely exfoliating perlite  
Best for Keratosis Pilaris-prone skin type

## HOW TO USE IN TANDEM

### STEP ONE

In the shower, massage Silk Scrub on more sensitive areas, like face, armpits, and pubic skin. For deeper exfoliation, leave on for up to five minutes as a mask, or rinse off immediately.

### STEP TWO

Massage KP Body Scrub onto bumps or KP—usually occurring on back of arms, thighs, or butt. Rinse off immediately.

## Silk Scrub®

### IN-TREATMENT PROTOCOL

#### VAJACIAL PROTOCOL

- 1 • After cleansing and drying the area, apply Silk Scrub and leave on for up to 10 minutes as an exfoliating mask.
- 2 • Remove product with a warm towel.

### AT HOME CARE

In the shower, massage Silk Scrub onto your skin—or, for extra exfoliation, leave it on as a mask for up to 10 minutes. For best results, we recommend using Silk Scrub 2-3 times per week.

### KEY INGREDIENTS

#### JOJOBA BEADS

An environmentally-friendly alternative to plastic beads, this natural exfoliator unclogs follicles to prevent ingrown hairs and removes excess sebum.

#### PAPAYA AND PINEAPPLE ENZYMES

Natural exfoliating agents that remove dead skin cells and break down hair follicles to make pores appear smaller and fight inflammation.

#### OTHER INGREDIENTS

Aqua, Aqua (and) Glycolic Acid (And) Lactic Acid (and) Sodium Magnesium Silicate (and) Citric Acid (and) Xanthan Gum, Bromelain, Glycerin, Hydrogenated Castor Oil (Beads), Maltodextrin (and) Lipase (And) Subtilisin, Gluconolactone (and) Sodium Benzoate, Xanthan Gum, Salix Alba (Willow) Bark Extract, Lavandula Angustifolia (Lavender) Oil, Salvia Sclarea (Clary Sage) Oil, Jojoba Esters (Beads), Papain, Linalool, D-Limonene, Geraniol.

#### GLYCOLIC AND LACTIC ACIDS

Powerful alpha hydroxy acids (AHA) that break the bonds between the skin cells to enhance natural moisturizing abilities and brighten uneven skin tone.

#### CLARY SAGE OIL

An antibacterial essential oil and astringent that soothes redness and post-shaving irritation.

Buff away dead skin cells for radiant resurfacing. This exfoliating treatment smooths and polishes skin. Gentle enough to use post hair removal.

6.0 FL. OZ. (180mL)

### RECOMMENDED FOR

Anywhere from head to toe 24 hours post-hair removal.

## KP Body Scrub®

### RECOMMENDED FOR

Below the neck, 24 hours post-hair removal.

### IN-TREATMENT PROTOCOL

#### VAJACIAL PROTOCOL

- 1 • After cleansing, apply KP Body Scrub to the affected area. The formula works to dissolve dead skin that traps ingrown hairs while brightening dark spots.
- 2 • Remove product with a warm towel; do not leave on for more than 2 minutes and do not use with other products that contain active ingredients.

### AT HOME CARE

- 1 • Use 2-3 times per week to combat existing skin concerns and to maintain smoother skin over time.
- 2 • For best results, follow with your favorite Fur moisturizer.

### KEY INGREDIENTS

#### PERLITE

A mineral derived from naturally occurring volcanic rock, it acts as a powerful physical exfoliant to buff away roughness and bumps for a microdermabrasion effect.

#### LACTIC ACID

Making up our 14% active alpha-hydroxy acids (AHAs), this chemical exfoliant dissolves excess keratin build up in the pores that causes the appearance of KP.

#### LICORICE ROOT EXTRACT

Derived from the licorice plant, it brightens skin discoloration and soothes redness, puffiness, and itchiness.

#### SUNFLOWER SEED OIL

A non-comedogenic oil derived from sunflower seeds, it is rich in vitamin E, vitamin A, and vitamin C, which deeply hydrate and protect the skin's moisture barrier.

#### OTHER INGREDIENTS

Aqua (Water), Perlite, Sodium Gluconate, Lactic Acid, Sunflower (Helianthus Annuus) Seed Oil, Glycerin, Stearic Acid, Cetearyl Alcohol, Butyrospermum Parkii (Shea) Butter, Lauryl Glucoside, Gluconolactone, Sodium Benzoate, Sodium Hyaluronate, Licorice (Glycyrrhiza Glabra) Root Extract, Willow Bark Extract, Althaea Officinalis (marshmallow) Root Extract, Potassium Sorbate, Xanthan Gum, Tocopherol (Vitamin E), Lavandula Angustifolia (Lavender) Oil, Salvia Sclarea (Clary) Oil, Sodium Hydroxide, Coumarin, D-Limonene, Geraniol, Linalool
