## Pistol Pouch

**NEW!**

ITEM NO.	DESCRIPTION
27-250	Pistol Pouch Chestnut Brown

ITEM NO.	DESCRIPTION
27-250-1	Pistol Pouch Black

New addition to the Hunter Concealment line, this new Pistol Pouch fits many of the new smaller semi-auto pistols so popular in today's market. Made in Chestnut Tan and Black, using our best top grain leather. We use our sturdy boot clip on the back to secure the pouch to your belt or remove clip and run belt through loop (up to 1-1/2" wide). Can be used by both right and left handed shooters. To use this pouch correctly, the pistol should be placed in the pouch upside down, with the back of the pistol at the front of the pouch. Then, to draw the gun, place your index finger of your left hand in the hole at the bottom of the pouch and push up, raising the grip of the gun far enough to grasp with your right hand and remove from the pouch. This pouch will also fit in the glove compartment of your vehicle or in your console, in your brief case, in your duffel bag or any other place you need concealment and protection for your firearm.
