## Neo40 Professional

Backed by 15 years of science research: Over a dozen US and international patents.

There are many products on the market that claim to promote Nitric Oxide production in the body. At HumanN, we don't make claims, we invest in clinical research. We've conducted a dozen clinical trials to date on our actual products, which have been published and peer-reviewed in medical journals. This level of commitment isn't typical in the world of N-O functional foods and supplements—many only test their ingredients but not the final product.

*It is the most efficacious, concentrated, and convenient daily supplement to help to quickly increase the body's Nitric Oxide levels. The only technology in the world to deliver authentic nitric oxide gas.*

Neo40 Professional also contains methylated tetrahydrofolate (methylfolate) to increase efficacy. This is important for those who have impaired methyl tetrahydrofolate reductase or Nitric Oxide Synthase (NOS) enzyme. Methylated tetrahydrofolate (methylfolate) helps support endogenous Nitric Oxide production for those who have these concerns.

Clinical Strength Daily Heart Health and Circulation Support Formula

**You Ask a Lot of Your Body: Replenish N-O Every Day**  
We know that our bodies change as we age. This is true for Nitric Oxide levels in the body as well. By the time we reach 40, studies have shown that we only produce about half or less of the Nitric Oxide we did at age 20. *Yet, our ability to produce and generate N-O is a key element of a healthy body.*

Since 2015, **Neo40 Professional** has been a **leading physician-recommended** Nitric Oxide boosting product.

Supplement Facts		
Serving Size 1 Tablet   Servings Per Container 60		
	Amount Per Serving	% DV
<b>Vitamin C</b> (as magnesium ascorbate and ascorbic acid)	100 mg	111%
<b>Vitamin B12</b> (as methylcobalamin)	50 mcg	2,083%
<b>Folate</b> (as (6S)-5-Methyltetrahydrofolic acid, glucosamine salt)	400 mcg	100%
<b>Proprietary Nitric Oxide Blend</b> Beet Root Powder (root), Hawthorn Berry Extract (berry), L-Citrulline, Sodium Nitrite	425 mg	*

\*Daily Value (DV) not established.

**Other ingredients:** Mannitol, modified cellulose, xylitol, natural flavors, magnesium vegetable stearate, silica, and stevia.

**Suggested Use:** You may take up to 2 tablets per day during the restoration-loading phase. Take each tablet 12 hours apart. After 30-45 days, take only one tablet daily. Place one tablet in your mouth, dissolve or chew, and swallow. Do not place under tongue or swallow whole. Hydrate before and after taking to avoid mouth sensitivity.

### Nitric Oxide Promotes **CIRCULATION**

N-O signals the blood vessels in the body to relax and dilate, helping to deliver oxygen and nutrients to the body through enhanced circulation and overall heart health support.

### Nitric Oxide Promotes **HEART HEALTH**

The discovery of N-O was called the greatest discovery in cardiovascular medicine and was awarded a Nobel Prize.

### Nitric Oxide Supports Healthy **BLOOD PRESSURE**

Nitric oxide supports the maintenance of healthy blood pressure and overall cardiovascular health because it relaxes and dilates arteries, promoting healthy circulation.

### Nitric Oxide Promotes **ENERGY**

Circulation carries the oxygen and nutrients you need to not only function, but thrive. Research suggests that increasing N-O levels helps increase our energy, endurance and stamina.

### Nitric Oxide Promotes **ENDURANCE**

Top athletes look to our functional foods and supplements to help them unlock the performance-enhancing power of N-O.
