

ADVANCED RETINOL

For All Skin Types

Wrinkle and Skin Tone Corrector

<p>SKIN CONDITIONS SKIN SYSTEM</p>	<p>All Skin Types Maturing Mature Treatment</p>
<p>ACTIONS</p>	<ul style="list-style-type: none"> • Increases luminosity and evens skin tone • Helps lessen the appearance of fine lines and wrinkles • Helps increase facial volume • Improves skin smoothness, and lessens roughness and scaly patches
<p>DESCRIPTION</p>	<p>Concentrated anti-aging serum with retinol, phospholipids, and glycolipids. Visibly firms skin and reduces appearance of wrinkles and pores. Fades age spots and evens skin tone. Lipids help restore moisture barrier and minimize any dryness or peeling from retinol.</p>
<p>ACTION INGREDIENTS</p>	<p>0.5% Retinol: The #1 dermatologist-recommended ingredient for aging and UV-damaged skin. Retinol helps to improve visible signs of aging, such as lines and wrinkles, irregular pigmentation, loss of elasticity, and enlarged pores.</p> <p>Phospholipids and Glycolipids: Found in the uppermost layer of the skin (stratum corneum), lipids protect the skin's moisture content and barrier function to keep it from becoming red, dry and irritated.</p> <p>Advanced Retinol combines retinol with bioidentical phospholipids and glycolipids to provide lipid moisture replacement along with the benefits of 0.5% retinol.</p>
<p>INGREDIENTS</p>	<p>Cyclopentasiloxane, Ethylhexyl Cocoate, Dimethiconol, Glycine Soja (Soybean) Oil, Retinol, Phospholipids, Glycolipids, Glycine Soja (Soybean) Sterols, Lecithin, Phenoxyethanol.</p>
<p>DIRECTIONS</p>	<p>After cleansing, apply to face and neck at night. Follow with moisturizer. After two weeks, may be used twice daily as tolerated.</p> <p>Warnings: Never apply to red, irritated, or peeling skin. For sensitive and rosacea-prone skin, consult your skin care specialist before use. When using this product, apply SPF in the morning.</p>
