

# GENTLE CLEANSING GEL

For Oily to Normal Sensitive Skin

Gentle sulfate-free cleansing

SKIN CONDITIONS	<b>Sensitive   Oily   Normal</b>
SKIN SYSTEM	Cleanse
<b>ACTIONS</b>	<ul style="list-style-type: none"> <li>• Ultra-mild, soap-free, sulfate-free cleansing</li> <li>• Dissolves makeup</li> <li>• Cleans deep into pores</li> <li>• Rinses completely so astringent is not required</li> <li>• Leaves skin ultra soft, fresh and comfortable (signs that skin's protective barrier is still intact after cleansing)</li> </ul>
DESCRIPTION	<p><b>Protect skin's delicate protective barrier as grease and impurities are gently washed away with this crystal-clear, no-soap, low-foaming gel</b></p> <p>Unlike sulfates, volatile alcohols and other harsh cleansing agents that dissolve skin's upper barrier as they clean (causing skin to feel tight, irritated and sensitive to other products), the plant-derived cleansers in <i>Gentle Cleansing Gel</i> are specifically formulated and tested to leave skin feeling beautifully clean and comfortable throughout the cleansing routine.</p> <p><i>Does not contain fragrance, essential oils, colorants, volatile alcohols, urea, sulfates, acids, strong emulsifiers, lanolins, mineral oils, parabens or other commonly used sensitizers.</i></p>
<b>ACTION INGREDIENTS</b>	<p><b>Sodium lauroyl oat amino acids</b>   exceptionally mild foaming cleanser from oats</p> <p><b>Sea whip</b>   strongest soothing action of all sea plants</p> <p><b>Green tea (<i>Camellia oleifera</i>)</b>   soothing plant antioxidants calm skin during cleansing process</p> <p><b>Panthenol</b>   provitamin B5; helps keep skin hydrated and comfortable during cleansing process</p>
FRAGRANCE	None
pH	6.0
