

# GENTLE CLEANSING LOTION

Repairs dry skin in 10 minutes

For Dry, Dehydrated Skin

SKIN CONDITIONS	<b>Sensitive   Slightly Dry   Normal</b>
SKIN SYSTEM	Cleanse
<b>ACTIONS</b>	<ul style="list-style-type: none"> <li>• Ultra-mild, gentle cleansing</li> <li>• Dissolves makeup instantly</li> <li>• Cleans deep within pores</li> <li>• Rinses completely so toner is not required</li> <li>• Skin feels ultra soft, fresh and comfortable (<i>signs that skin's protective barrier is still intact after cleansing</i>)</li> </ul>
DESCRIPTION	<p><b>Gently dissolve makeup and other impurities that can irritate sensitive skin, without disturbing its crucial protective barrier</b></p> <p>This water-rinseable cleansing lotion rinses easily with warm water, so sensitive skin gets minimal contact during the cleansing process, and rinses completely, so skin isn't exposed to the trauma of a toner. Sensitive skin feels remarkably clean, fresh and moist, without the signs of irritation experienced with other cleansing systems.</p> <p><i>Does not contain fragrance, essential oils, colorants, volatile alcohols, urea, sulfates, acids, strong emulsifiers, lanolins, mineral oils, parabens or other commonly used sensitizers.</i></p>
<b>ACTION INGREDIENTS</b>	<p><b>Yucca</b>   saponin-rich natural plant cleanser</p> <p><b>Green tea (Camellia oleifera)</b>   soothing plant antioxidants calm skin during cleansing process</p> <p><b>Sea whip</b>   strongest soothing action of all sea plants</p> <p><b>Panthenol</b>   provitamin B5; helps keep skin hydrated and comfortable during cleansing</p>
