

DERMASPACE
ADVANCED THERAPY

Exfoliate

MICRODERMABRASION CREME

Minimizes surface imperfections

For Sun-Damaged or Acne-Scarred Skin

SKIN CONDITIONS

Rough skin | Fine lines | Large pores | Acne-scars | Irregular pigment

SKIN SYSTEM

Exfoliate

ACTIONS

- Gently polishes skin to an ultra-smooth finish with volcanic microcrystals
- Reveals fresh, new, healthier-looking skin in seconds
- Minimizes signs of sun-damage, irregular pigmentation, lines, large pores & acne-scars
- Helps revive skin's natural barrier as it soothes and conditions skin

DESCRIPTION

Instantly uncover fresh, new skin, reduce enlarged pores, soften dark spots, dramatically smooth fine facial lines and soften acne and other scars in weeks with this blend of Volcanic Microcrystals suspended in a soothing, conditioning creme

Although this is a gentle, at-home alternative to microdermabrasion machines for clients who cannot afford – or whose skin cannot tolerate – machine treatments. May be used at home in conjunction with machine treatments to prolong the treatment effects. For ultra thick or resistant skin, *Microdermabrasion Creme* may be used in conjunction with chemical resurfacers, including AHAs and BHAs, and Retinol Complex.

Microdermabrasion Creme may be applied manually or with microdermabrasion creme applicators.

Does not contain aluminum oxide, harsh emulsifiers, synthetic color, fragrance or parabens.

ACTION INGREDIENTS

Pumice | volcanic microcrystals – the smallest of all buffing crystals – gently polish without irritation
Green tea, chamomile & licorice | soothing plant extracts calm skin during polishing treatment
Jojoba oil | conditioning oil leaves skin ultra-soft
Kukui, borage & sunflower oils |lipid-rich plant oils help revive skin's natural moisture barrier

FRAGRANCE

None

pH

6.0

SOLUBILITY

Pumice suspension

COMPLETE INGREDIENT DISCLOSURE

Water (base), **pumice** (volcanic microcrystal), **aloe barbadensis leaf** juice (soothing), tridecyl stearate (emollient), neopentyl glycol dicaprylate/dicaprate (emollient), hybrid **sunflower** (*helianthus annuus*) oil (barrier repair plant oil), cetyl alcohol (emulsifier), stearyl alcohol (emulsifier), tridecyl trimellitate (emollient), cetrimonium bromide (softening), **green tea** (*camellia oleifera*) extract (soothing), **licorice** (*glycyrrhiza glabra*) root extract (soothing), **chamomile** (*chamomilla recutita*) extract (soothing), **jojoba** (*simmondsia chinensis*) oil (barrier-repair plant oil), **kukui** (*aleurites moluccana*) nut oil (barrier-repair plant oil), **borago officinalis** seed oil (barrier repair plant oil), tocopherol (freshness preservative), butylene glycol (hydrating), **guaiazulene** (soothing), titanium dioxide (opacifier), ascorbyl palmitate (freshness preservative), ascorbic acid (freshness preservative), citric acid (freshness preservative), ethylhexylglycerin (skin conditioner), PEG-8 (mild emulsifier), methylisothiazolinone (antimicrobial preservative).

DIRECTIONS

Home Care | Generously apply creme to moist skin on the chest, neck and face. Massage manually or with microdermabrasion creme applicator for up to 2 minutes. Rinse well. Avoid eye area. Repeat once or twice a week for mild resurfacing, or daily for 3-5 days for more intense resurfacing. Always use a sunscreen with an SPF 15 or higher.

Hand or Foot Procedure | May be used to smooth calluses and rough skin on hands & feet.
