For Hyperpigmentation, Oily, and Acne-Prone skin

For Acne-Prone Skin

<p>SKIN CONDITIONS SKIN SYSTEM</p>	<p>Hyperpigmentation Acne-Prone Problem Cleanse/Treatment</p>
<p>ACTIONS</p>	<ul style="list-style-type: none"> • Effectively cleanses without drying skin • Improves luminosity and evens skin tone • Deep cleans pores • Treats and prevents acne • Gentle surfactants are non-irritating • 100% sulfate-free • 100% fragrance-free • All-natural preservative system • Ideal for body breakouts • Calms bikini, folliculitis and razor bumps
<p>DESCRIPTION</p>	<p>Micro-exfoliating cleanser with 2% salicylic acid and 1% moisturizing and antimicrobial coconut oil at low pH 4.5 for enhanced dead cell removal. Removes surface dead cell build up to improve luminosity and even skin tone. Suitable for face and body.</p>
<p>ACTION INGREDIENTS</p>	<p>2% Salicylic Acid at low pH: Derived from the bark of Birch Trees and also known as Beta Hydroxy Acid, this highly effective ingredient works by ungluing dead skin cells from each other and is renowned for its power to penetrate the pores and dissolve oil and debris. This cleanser utilizes the maximum strength allowed for over-the-counter preparations.</p> <p>1% Extra Virgin Coconut Oil: Keeps skin moisturized and soft, while its exfoliating properties help to cleanse pores without irritating the skin.</p>
<p>INGREDIENTS</p>	<p>Active Ingredients: Salicylic Acid (2%). Inactive Ingredients: Water, Sodium Lauroyl Methyl Isethionate, Sodium Chloride, Glycerin, Cocamide MIPA, Decyl Glucoside, Cocos Nucifera (Coconut) Oil, Cyamopsis Tetragonoloba (Guar) Gum, Aloe Barbadensis Leaf Juice, Salix Nigra (Willow) Bark Extract, Glyceryl Caprylate, Citric Acid, Sodium Hydroxide, Glyceryl Undecylenate.</p>
<p>DIRECTIONS</p>	<p>Gently massage small amount onto damp face, neck and body twice daily. Leave on for 10 seconds. Rinse thoroughly with tepid water.</p> <p>Warnings: When using this product skin irritation and dryness is more likely to occur if you use another topical acne medication at the same time. If irritation occurs, only use one topical acne medication at a time. When using this product avoid contact with eyes. If contact occurs, flush thoroughly with water. Do not use if allergic to aspirin. Never apply to red, irritated, or peeling skin. Keep out of reach of children. If swallowed, get medical help or contact a Poison Control Center right away. If pregnant or breastfeeding, ask a health professional before use.</p>
