

VITA SOOTHE

Protective Replenishing Serum

For All Skin Types | Acne Prone

<p>SKIN CONDITIONS SKIN SYSTEM</p>	<p>All Skin Types Acne-Prone Treatment</p>
<p>ACTIONS</p>	<ul style="list-style-type: none"> • Helps correct dull rough skin while you sleep. • Reduces visible signs of aging. • Provides antioxidant and moisturizing nutrients to brighten and help rejuvenate your skin's texture. • Excellent for red and overly-dry acneic skin.
<p>DESCRIPTION</p>	<p>Antioxidant replenishing serum restores skin's bioidentical glycolipids and vitamins E and F. Contains strongest antioxidant, Lipochroman® to help correct and protect skin from environmental aging. Provides instant glow and smoother, plumper skin.</p>
<p>ACTION INGREDIENTS</p>	<p>Lipochroman®: The only double action antioxidant to protect skin from both nitrogen and oxygen free radicals, this anti-pollution ingredient is also the strongest antioxidant made. It is eleven times stronger than Idebenone.</p> <p>Vitamin F (Linoleic and Linolenic Acids): Omega-6 essential fatty acids that replenish moisture so that dull, rough skin softens and firms with continued use. Excellent for acneic skin since acneic skin is deficient in Vitamin F.</p> <p>Vitamin E (Tocopherol Acetate): A form of Vitamin E that is 20 times stronger as an antioxidant and is the only antioxidant that protects skin from Nitrogen free radicals caused by environmental pollutants.</p> <p>Lipids: Help to trap moisture into skin by mimicking the silky molecules found in baby skin that prevents water from escaping from skin surface.</p>
<p>INGREDIENTS</p>	<p>Cyclopentasiloxane, Ethylhexyl Cocoate, Dimethiconol, Glyceryl Linoleate (Vitamin F), Glyceryl Linolenate, Tocopheryl Acetate (Vitamin E), Lecithin, Glycolipids, Dimethylmethoxy Chromanol, Phenoxyethanol.</p>
<p>DIRECTIONS</p>	<p>After cleansing, apply to face (and neck) twice daily. Follow with moisturize.</p>
