ABOUT US

HUAKE LED is a professional LED display manufacturer with more than 14 Year's experience in developing and producing led display, and provide various of LED solution for global account, distributors, and international partners of ours. We always commit to provide the best LED screen display, not just the completed led panel, but the high-quality LED components provided, even more focusing on the practical and high quality, it's so easy to work with your customized led screens. HUAKE LED displays will be always your first choice.

With Magnets support front and back maintenace

Up to 4500nits, Pixel Options: P2.5, P3.2, P4, P5, P8

High Temperature Resistance
Anti-UV Protection

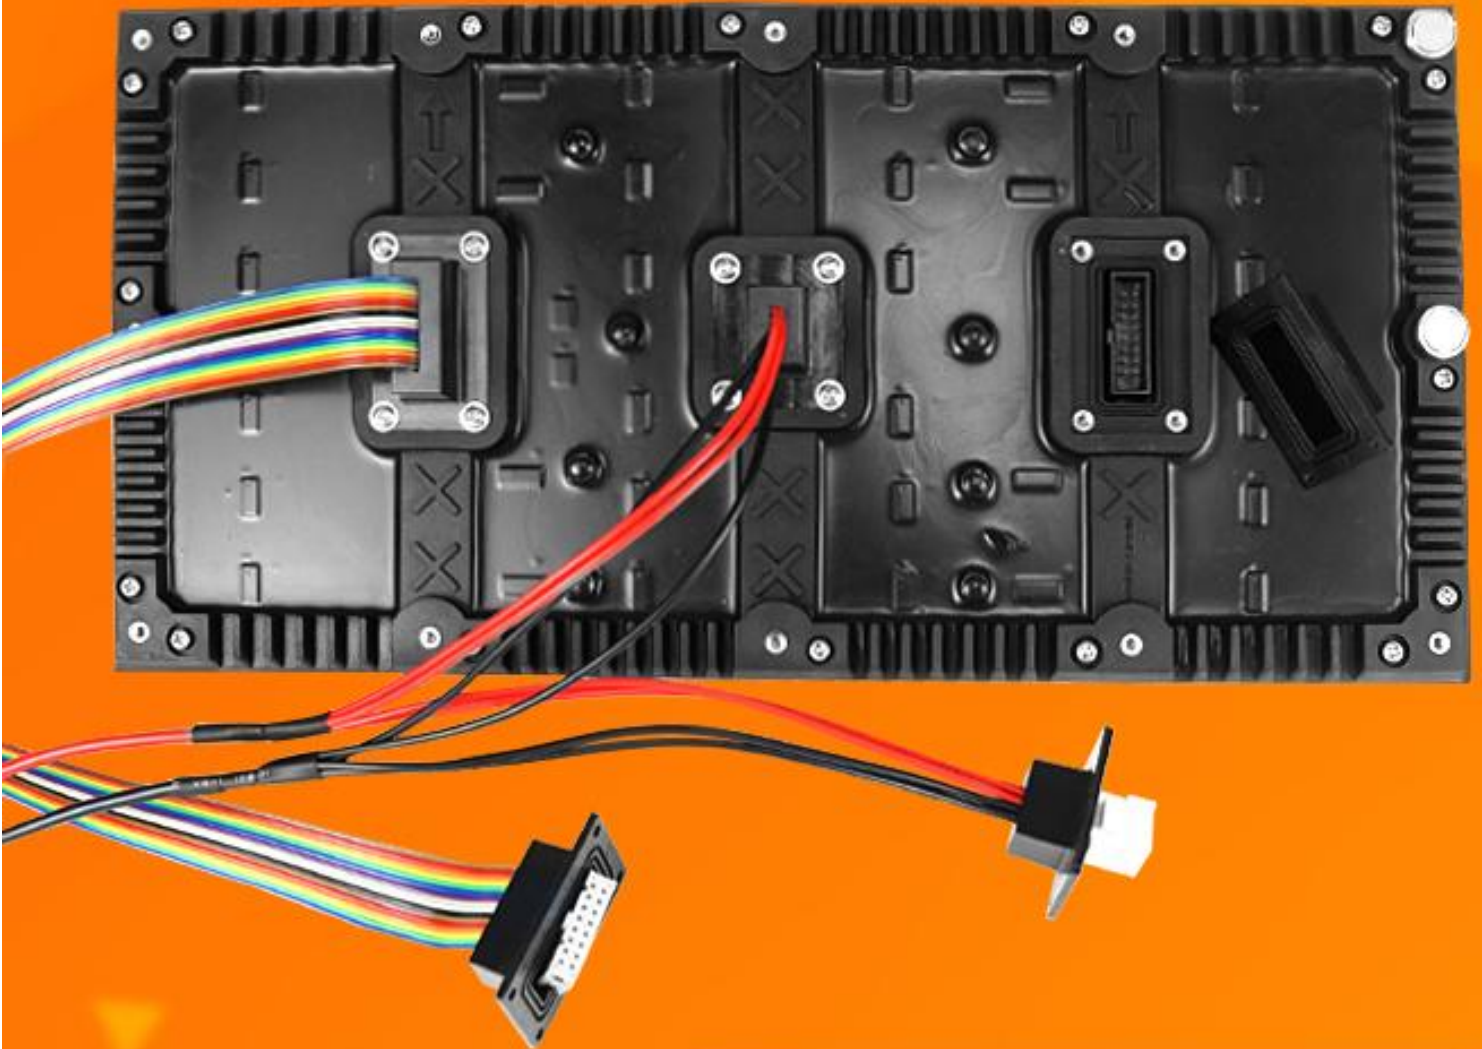

Flexible, Bendable

IP65 Rated, Waterproof
Dust-Proof

Special Waterproof Designs of Shields at Interfaces

Interfaces Protection
Guiding Waterproof

The LED Panel supports for making Concave and Convex Shape LED Display

It be able to bend inward and outward in around 160degree, ideal for making curved, cylinder shape LED screen

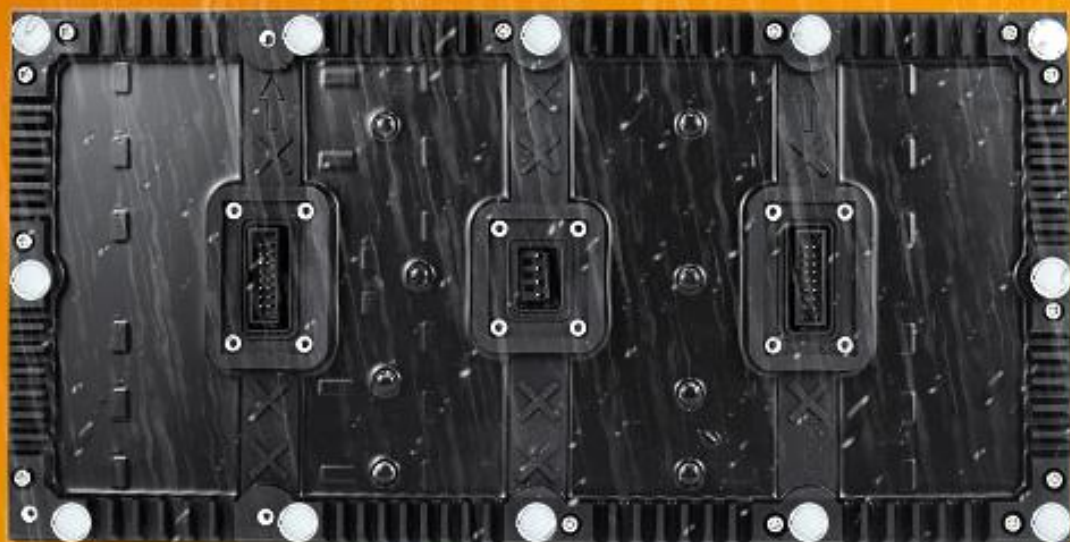

With built-in screw holes for magnets

It can be installed by sticking metal structure support front maintenance

Magnets and Screws Past Salt Spray Anti-Corrosion Test

With silicon gaskets carrying the LED panel

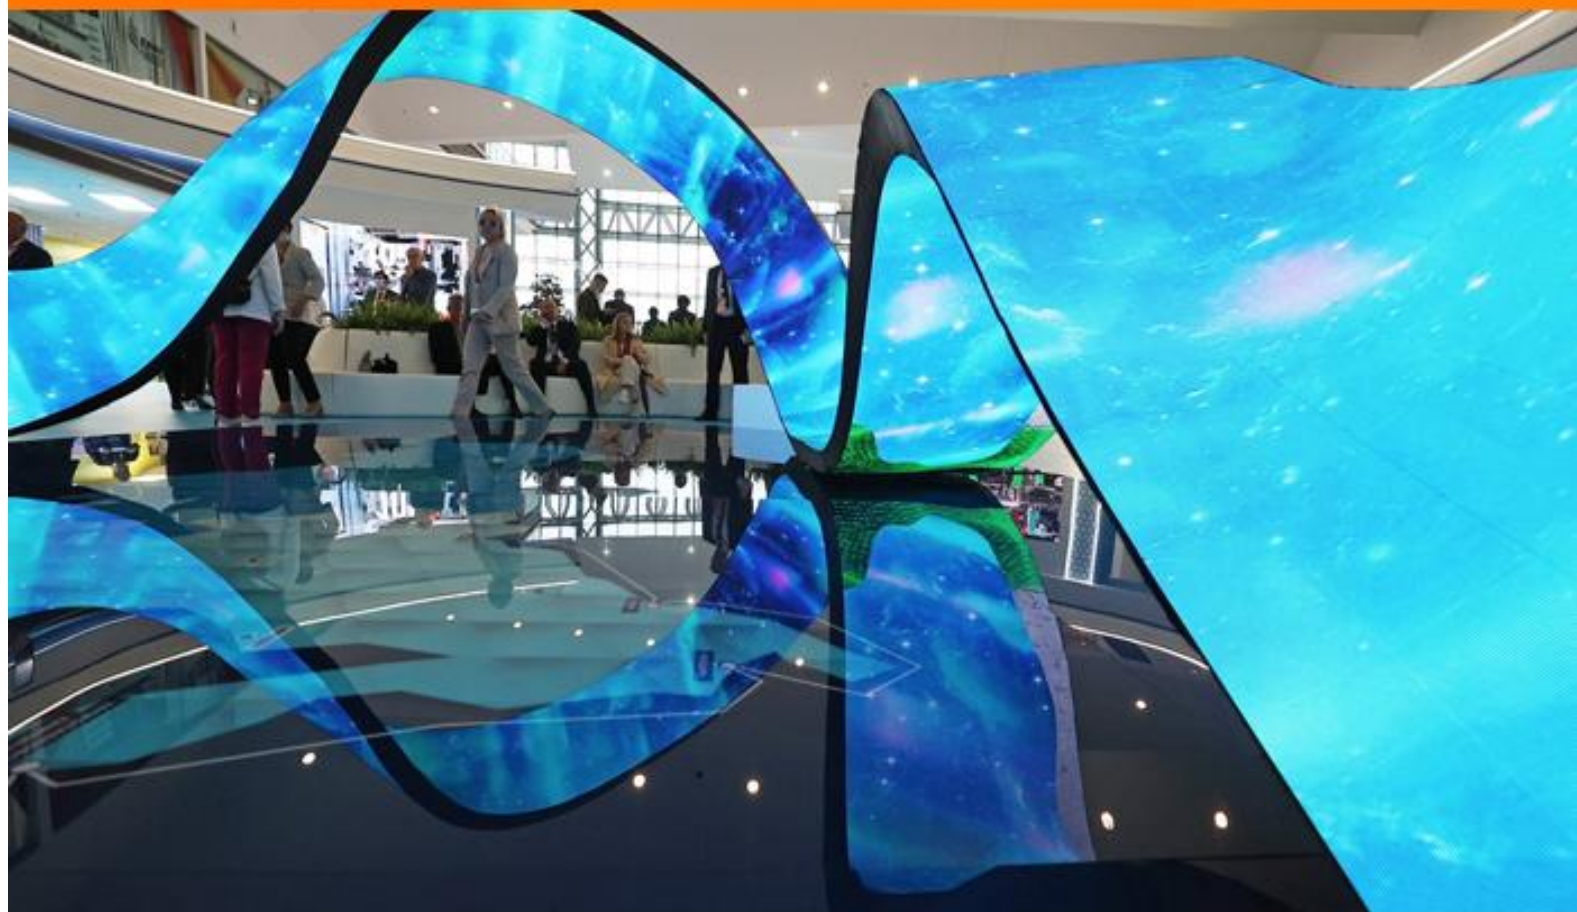

it enhance the entire evenness for final LED display

Grill design of the gaskets
increase the tensile strength and have
better capacity for heat dissipation

Application Scenarios

Outdoor LED Curved Special Designed Display

Outdoor LED Column Cyliner Display

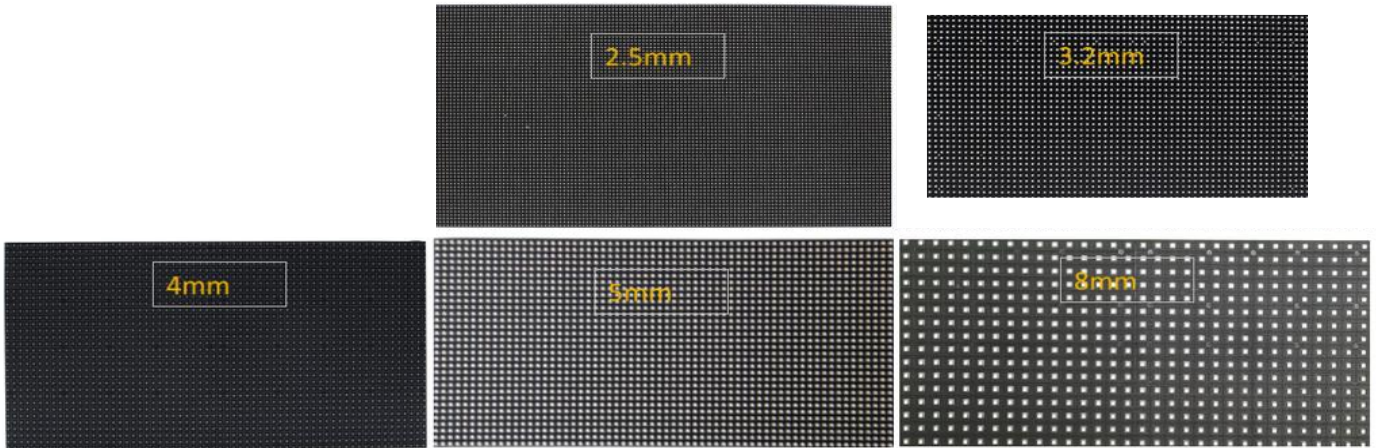

Outdoor LED Concave or Convex Screen

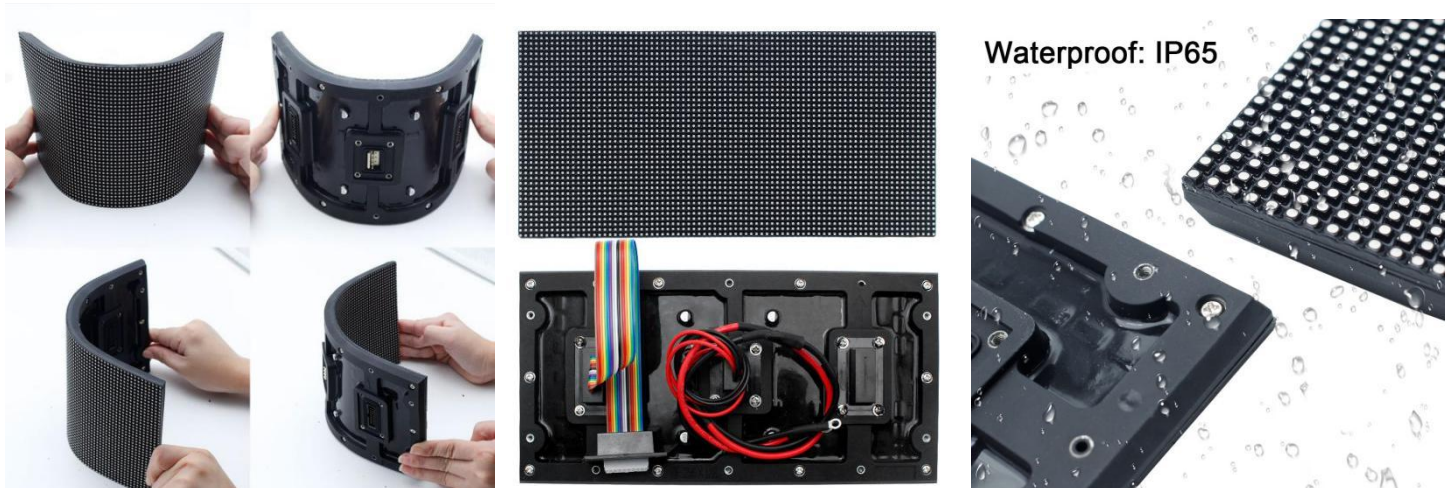

WF Series Flexible Outdoor LED Modules

Silicon Base Flexible LED Panel / LED Display Modules

SKU	Pixel Pitch	Module Dimension	Module Resolution	ModulePixel	Scan	Pixel Density	View Distance	LED	Brightness	Watt	IP Grade
