

2% BHA Exfoliating Liquid

Have you ever wished for a smoother and more radiant skin with fewer blemishes? Whether your skin is mixed or on the oilier side, it could greatly benefit from a BHA exfoliator.

QRxLabs 2% BHA Exfoliating Liquid is a professional-strength daily leave-on exfoliator formulated to improve skin texture without irritation. It combines medical-grade Salicylic Acid with pure Niacinamide (Vitamin B3) and Green Tea extract. Its advanced formulation helps to reduce fine lines and unclog pores over time, leaving you with a more radiant-looking skin. It is compatible with all skin types and does not leave any sticky or greasy residue.

Benefits of daily application:

- Unclogs pores
- Reduces fine lines and wrinkles
- Improves skin radiance
- Diminishes enlarged pores
- Helps control breakouts and oiliness

Preferred by Dermatologists

FDA
REGISTERED

Our Quality Commitment to You

- Parabens-free and Silicone-free products
- Ecologically responsible product packaging
- Always cruelty-free, with no animal testing
- High quality products always made in the USA

Key Ingredients

Salicylic Acid

A Beta Hydroxy Acid (BHA) that unclogs pores and promotes skin exfoliation.

Niacinamide (Vitamin B3)

Helps to reduce pore size and to even out skin tone for a more radiant complexion.

Specially formulated to maximize dermal penetration of active ingredients
