

Body Acne Spray

With its powerful and effective formula, the **QRxLabs Body Acne Spray** immediately penetrates deep into the pores to cleanse and effectively remove acne-causing bacteria responsible for scarring, redness and irritation. This formula will minimize new pimples and reduce inflammation through **safe ingredients that help protect the skin and prevent painful breakouts.**

The **QRxLabs Acne Body Spray** contains a synergistic blend of proven ingredients to fight body acne breakouts. With a 2% Salicylic Acid concentration combined with pure Tea Tree Oil and Centella Asiatica Extract, this convenient spray acts quickly to control acne and prevent related skin inflammation and irritation.

Benefits of daily application:

- Unclogs pores and removes impurities
- Reduces body acne and irritation
- Improves skin texture and redness
- Minimizes excess oil generation
- Keeps the skin soft and hydrated

Preferred by Dermatologists

Key Ingredients

Salicylic Acid

A Beta-Hydroxy Acid that penetrates deep into the pores to extract any impurities.

Witch Hazel

Safely reduces pore size, excess oil and irritation as well as pimple size.

Tea Tree Oil

An antibacterial and anti-inflammatory oil that helps reduce acne breakouts.

Centella Asiatica Extract

Improves skin texture and encourages collagen and elastin production.

Specially formulated to maximize dermal penetration of active ingredients

Our Quality Commitment to You

- Parabens-free and Silicone-free products
- Ecologically responsible product packaging
- Always cruelty-free, with no animal testing
- High quality products always made in the USA
