

Eye Perfect™ Elixir

Not only is the eye area one of the most delicate areas of the body, it is also the area that most easily shows signs of aging. That includes wrinkles, sagging skin and dark or uneven tone.

With its rich and concentrated water-free formula, **QRxLabs Eye Perfect Elixir** immediately penetrates the skin to deliver powerful actives while its natural Argan, Rosehip and Squalane oils form a **protective film over the eye area**.

This daily use serum combines **Bakuchiol**, a natural and less irritating Retinol alternative that reduces wrinkles, with **Tetrahexyldecyl Ascorbate**, an advanced form of Vitamin C that does not oxidate and that is gentler on sensitive skin.

Benefits of daily application:

- Visibly reduces lines and wrinkles
- Protects the delicate skin around the eyes
- Improves skin elasticity
- Minimizes sagging around the eyes
- Keeps the skin soft and hydrated

 Preferred by Dermatologists

Key Ingredients

Bakuchiol

Natural non-irritating Retinol alternative that reduces lines and wrinkles.

Tetrahexyldecyl Ascorbate

Advanced form of Vitamin C that does not oxidate or irritate sensitive skin.

Plant-Based Squalane

A "dry oil" extracted from sugarcane that is proven to reduce signs of aging.

Argan & Rosehip Oils

Natural skin conditioning and softening oils, they improve elasticity and protect the skin.

Specially formulated to maximize dermal penetration of active ingredients

Our Quality Commitment to You

- Parabens-free and Silicone-free products
- Ecologically responsible product packaging
- Always cruelty-free, with no animal testing
- High quality products always made in the USA
