

Lemon Verbena Neck Firming Cream

The neck is one of the most visible areas of the body that is generally exposed throughout the day and that is easily affected by the aging process.

The **QRxLabs Lemon Verbena Neck Firming Cream** leverages the perfect balance between Alpha Hydroxy Acids, essential vitamins and nutrients, powerful peptides and natural moisturizers in order to help control the effects of aging over the neck and decolleté area. It carries a natural Lemon Verbena scent that is soothing and refreshing.

When applied daily to the neck and chest, this treatment will minimize fine lines and wrinkles, it will soften and smooth out the skin surface and it will encourage a firmer, tighter look around the decolleté area.

Benefits of daily application:

- Reduces fine lines and wrinkles
- Encourages firmer skin
- Tightens skin around the neck
- Helps prevent “crepe” or “turkey” neck over time

Lemon Verbena Essence
A natural and soothing scent that will leave you feeling calm and refreshed

 Preferred by Dermatologists

 FDA REGISTERED

Key Ingredients

Alpha Hydroxy Acids

Lactic and Glycolic acids boost cell renewal and collagen production

Royal Jelly

Restores and protects anti-aging proteins and enzymes for a younger looking skin

CoQ10 & Peptides

Improve skin tone and elasticity, leading to a firmer and tighter looking neck and decolleté

Vitamins B5, C & E

Combined with pure Organic Cocoa Butter, this cocktail of vitamins keeps the skin healthy and hydrated
