

## Niacinamide + Retinol Serum

An advanced anti-aging serum that combines Niacinamide (which is a form of Vitamin B3) and Retinol, two proven ingredients, with Organic Aloe Vera, Vitamin E, Jojoba Oil, Hyaluronic Acid and a cocktail of natural extracts, resulting in a thick, rich, highly potent serum that will blow you away.

This serum will penetrate your skin and it will quickly create a natural barrier, keeping it hydrated and radiant. Research has shown Niacinamide to be a very effective skin restoring agent, while Retinol has long been recognized by dermatologists as one of the only true anti-aging ingredients. When combined, these two key ingredients have a synergistic effect that will leave your skin feeling refreshingly youthful.

Benefits of daily application:

- Smoother skin with less visible pores
- Tighter, more elastic skin
- Less visible fine lines and wrinkles
- A healthy and radiant skin
- Reduced signs of acne and stress

 Preferred by Dermatologists

 FDA REGISTERED

## Key Ingredients

**Niacinamide (Vitamin B3)**  
This versatile ingredient visibly improves the look of enlarged pores, uneven skin tone, fine lines and wrinkles.

**Retinol**  
A vitamin A derivative that unclogs pores, boosts collagen to reduce fine lines and speeds up cell turnover.

**Hyaluronic Acid**  
Hyaluronic acid has an extreme ability to retain moisture, which is one of the key factors in skin aging. It helps to maintain a healthy and youthful looking skin.

**Vitamin E**  
Works to effectively block free radicals from the body, which play a large part in the aging process.

### Our Quality Commitment to You

- Parabens-free and Silicone-free products
- Ecologically responsible product packaging
- Always cruelty-free, with no animal testing
- High quality products always made in the USA
