

Salicylic Acid 20% Gel Peel

Our professionally formulated Salicylic Acid Gel Peel contains a 20% concentration of salicylic acid and is considered a light peel within the Beta Hydroxy Acid (BHA) category. With its unique formulation that **contains no alcohol and that leverages a timed release system**, this peel will do wonders for complicated skin without any burns or irritation.

It can typically help to:

- reduce breakouts
- clear blackheads and whiteheads
- help control oily skin
- reduce and control skin problems related to acne

This peel's advanced formulation combines our **medical-grade salicylic acid** with **Tea Tree essential oil and Green Tea extract**, two natural ingredients proven to kill acne-causing bacteria and reduce inflammation.

Our Quality Commitment to You

- Parabens-free and Silicone-free products
- Ecologically responsible product packaging
- Always cruelty-free, with no animal testing
- High quality products always made in the USA

Warnings & Directions

Application Instructions: Cleanse the skin thoroughly. Apply peel evenly with an appropriate applicator pad and rub gently into skin. Let stand for 5-10 minutes, depending on skin sensitivity. Rinse abundantly with cool water. Dry skin and apply a Niacinamide serum such as the **QRxLabs Niacinamide + Retinol Serum™** daily for the following 2 weeks.

Warnings: For external use only. Please check with your doctor or skin specialist before using this product. **Always test product first on a very small area to measure your skin's sensitivity. Never use this product without a neutralizer readily available.** Avoid any direct contact with eyes. If swallowed, seek medical help or contact a Poison Control Center immediately. Keep out of reach of children.

Storage: Keep bottle tightly closed. Store in a cool, dry place, out of reach of children. Keep away from direct sunlight.
