

Squalane CE

QRxLabs Squalane CE is a 100% pure sugarcane-derived Squalane that is ECOCERT approved and is a USDA Certified Bio-based Product. It has been boosted with Tetrahexyldecyl Ascorbate (THDA), an **ultra-stable, non-irritating form of Vitamin C** with the following benefits:

- Provides antioxidant action to defend skin from free radical damage, the top cause of visible aging
- Stimulates the production of collagen, the protein that makes skin firm, taut, smooth and resistant to wrinkles and sagging
- Fades or prevents hyperpigmentation (dark spots) and improves skin tone
- Minimizes inflammation, redness and enhances wound healing

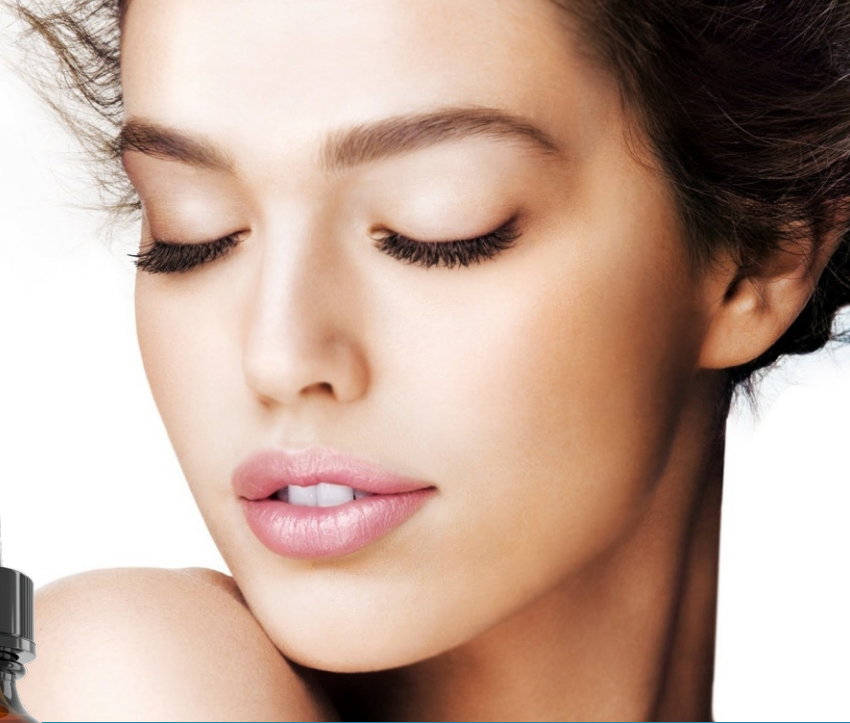

QRxLabs Squalane CE also contains Vitamin E, an important antioxidant that protects the skin and the product's integrity over time.

Preferred by Dermatologists

FDA
REGISTERED

Key Ingredients

Sugarcane-Based Squalane

The purest and most stable Squalane available on the market (ECOCERT approved).

Tetrahexyldecyl Ascorbate

An ultra-stable, non-irritating form of Vitamin C that penetrates easily into the skin.

Specially formulated to maximize dermal penetration of active ingredients

Our Quality Commitment to You

- Parabens-free and Silicone-free products
- Ecologically responsible product packaging
- Always cruelty-free, with no animal testing
- High quality products always made in the USA
