

Squalane E

QRxLabs Squalane E is a 100% pure sugarcane-derived Squalane that is ECOCERT approved and is a USDA Certified Bio-based Product that has been infused with concentrated Vitamin E. It is a powerful hydrator naturally occurring in the skin and **compatible with all skin types**.

Clinical and consumer studies have demonstrated clear benefits from skin therapy leveraging **Squalane and Vitamin E**, not just for their anti-aging effect, but also for their protective and healing action.

Benefits of daily use:

- Increases skin firmness
- Reduces fine lines
- Moisturizes skin
- Soothes and softens skin
- Reduces damage from free radicals

Preferred by Dermatologists

FDA
REGISTERED

Key Ingredients

Sugarcane-Based Squalane

The purest and most stable Squalane available on the market (ECOCERT approved).

Vitamin E

An important antioxidant that protects the skin and improves product stability.

Specially formulated to maximize dermal penetration of active ingredients
