PRO Seal 2500

PRODUCT MANUFACTURER: Stone Edge Su	urfaces 🛛 🔊	MANUFACTURER:	Turley International Resources, LLC.
product name: Pro Seal 2500			4322 South 80 th Street
			Mesa, AZ 85212 - USA
			TEL: 844-786-6333 E: info@stoneedgesurfaces.con
EMERGENCY: 911 Local Emergency Room	N	MEDICAL: 911 or L	.ocal Emergency Room
RODUCT COMPOSITION			
	high gloss 25% solids Solvent	hased acrylic con	olymer, sealing compound, as well as a dust-proofer fo
			s, and other pollutants that sometimes can be hazardou
to concrete. Pro Seal 2500 forms a superior moistur	e retentive film on Dry and Cured	d concrete. Comes	in a 5 Gallon Bucket 45 LBS.
RODUCT USES			
Stone Edge Surfaces Pro Seal 2500 is recommended	I for both interior and exterior cu	ured, finished, and	l aged concrete where a high gloss solvent based sealin
			concrete floors as well as other concrete surfaces wher
	Aicro Coating Mixes have been us	ised. Pro Seal 2500) can be used as a means of dust-proofing most concret
surfaces. Pro Seal 2500 dries to a Glossy finish.

Overlay products, the smoother the finished texture, the easier the surface is to clean, but there is a loss of skid resistant properties. Cleaning and disinfecting compounds and cleaning techniques can affect the color, gloss, texture and performance of the system. As the precautionary step, Stone Edge Surfaces recommends that the end-user test their cleaning and disinfecting compounds on a non-conspicuous area before use.

PRODUCT COVERAGE

Pro Seal 2500 - 5 Gallon Pail - Approximately 1000 sqft. *Coverage rates vary depending on porosity and texture, and application method. Excessive build up should be avoided.

TECHNICAL DATA SHEET

PRO Seal 2500

PRODUCT SHELF LIFE

If properly stored, the expected shelf life can exceed 6 months. However, it is recommended that product be used as soon as possible after delivery. Rotate stock to use oldest inventory first. Store under roof and keep dry.

PRODUCT LIMITED WARRANTY

Limited Warranty: Stone Edge Surfaces, a division of Turley International Resources, LLC., (further known as manufacturer), products are warranted to be free of manufacturers defect in material and formulation for 90 days (the warranty period) from the date of purchase from manufacturer, when applied per manufacturer's instructions, and as provided specifically in the terms and conditions herein. TERMS: Upon verification of factory defect, manufacturer reserve the right, at its sole discretion, to replace the product purchased or refund the purchase price paid to the manufacturer. The refund amount will be based on the most current product pricing at the time warranty coverage is approved. For Products to be deemed warrantable, they must be inspected and warranty approved by an authorized manufacturer representative. This Limited Warranty does not cover, nor is manufacturer responsible for, any project costs or delays, and no remedies will be made for loss and/or usage of fuel, labor, demolition, haul away, clean up, service, travel, transport, reapplication, parts, or any other costs in excess of the purchase price of the products paid to the manufacturer or use of resources resulting from a failure of a warrantable product. Warranty also does not cover products that have been modified, altered, improper mixing not in accordance with manufacturers guidelines or instructions, misused or used in a way not recommended by manufacturer, used after shelf life expiration, acts of God, adverse environmental conditions beyond manufacturers control, inadequate contractor skill level or quality of contractor workmanship, fading over time, improper prep of application area, chemical damage, unstable, cracking or shifting substrate causing product failure. Product replacement or refund of product purchase price from manufacturer are manufacturer's sole obligations under this limited warranty.
