Note: you may mark the center and side stitches to keep track, but it should be fairly obvious to see where the yarn overs lead, and a stitch marker may interfere with your yarn overs.

Repeat rows 4 and 7 49 times more, OR until shawl measures desired length.

Picot Edge

1: With right side facing, using the knitted cast-on method, cast on 2 stitches

2: Bind off 4 stitches

3: Move stitch from right hand needle onto the left hand needle

Repeat steps 1-3 until 1 stitch remains. Pull tail through final loop.

Sew the cast on edges together.
