

CHOOSE YOUR OWN ADVENTURE®

ANTARCTICA! California Mini Book Tour

Drawing on her experience living at a scientific research base in Antarctica, debut author Lily Simonson brings the stark continent to life in the brand new CYOA classic *Antarctica!* Join Lily in person for a book signing, interactive reading, and panel discussion with the scientists who helped her put the sci in sci-fi.

Artist & author Lily Simonson

SATURDAY, NOVEMBER 5

LOS ANGELES: *Exploring the Frozen Oceans of Earth and Outer Space*

4 PM - Silver Lake Branch of the Los Angeles Public Library

Dr. Bethany Ehlmann of The California Institute of Technology and Dr. Jeff Bowman of Scripps Institution of Oceanography will join Lily to discuss missions to other planets and moons, marine microbes, and how truth can be stranger than fiction.

Dr. Bethany Ehlmann

Dr. Jeff Bowman

SUNDAY, NOVEMBER 6

BERKLEY, CA: *Climate Solutions*

3 PM - Mrs. Dalloway's Bookstore

Lily will host a discussion with scientists Dr. Cameron Coates and Dr. Grant Ballard on climate mitigation, penguin research, and how this work shaped *Antarctica!*
