Welcome Kit from CYOA!

Chooseco appreciates new direct accounts. To show our thanks, new accounts receive a welcome kit with lots of freebies—custom CYOA pens, shelf talkers, laptop and bumper stickers, and a CYOA Available here poster. The first bookseller to use this poster (he created his own) saw a 20% increase in foot traffic when he put it up in the window of his tourist-filled bookstore. Reps can request these welcome kits from Chooseco by emailing orders@chooseco.com
