SOLVE THE ART HEIST OF THE CENTURY IN OUR LATEST FAST-PACED, NOSTALGIC CLASSIC

Just two weeks before your family's summer trip to Paris, the world's most famous painting, the MONA LISA, is stolen from the Musée du Louvre. This crime in the heart of the French capital is unimaginably bold! When the Sûreté (France's FBI) learns that you solved the theft of another important painting last year in Washington D.C., they ask you to fly over early to help them work on the investigation. You land in Paris a few days later and are faced with an immediate choice. Your good friend Pierre tells you that he needs to meet urgently. He thinks he has an important lead to the robbers. But the officials of the Sûreté are waiting...

Will you make the right choices and find the Mona Lisa before it disappears from public view forever?

FROM THE VAULT! This original CYOA from 1988 was a perennial bestseller. Includes some updates for current factual accuracy.

Ramsey Montgomery was a dedicated traveler and explorer who lived in both Europe and Asia. No matter where he went, he made friends and had adventures. He once flipped a rattail canoe into the Mekong River because it was overloaded with Foster's beer. Another time, he was shot at by border guards in northwestern

Laos when he may have accidentally ridden his mountain bike into Kunming province. ("It's not like they have a border line painted in the mountains.") Ramsey Montgomery passed away in Ho Chi Minh City in 2008, where he was living and working.

CHOOSE YOUR OWN ADVENTURE®

WHERE BETTER TO SEEK GUIDANCE
THAN FROM THE PIONEERS OF CHOICE?

The Choose Your Own Adventure® Tarot Deck is a new take on the traditional cards. Artist Brian Anderson (*Murder at the Old Willow Boarding School*) has created a diverse cast of teens to inhabit the classic Major and Minor Arcana figures. Our iconography is faithful to the famous Rider-Waite deck. Brian adds a new dimension to the images with his steampunk-inspired aesthetic. What better place to look for guidance in making a choice than the CYOA Tarot Deck? A 128 page booklet aimed at the beginning student of Tarot by CYOA author and tarot practitioner Rana Tahir is included with the box. Great gift for both nostalgia fans, tweens, and teen audiences.
