CHOOSE YOUR OWN ADVENTURE®

LIBRARY READ-ALOUD BOOK CLUB AND ADVENTURERS' PASSPORT

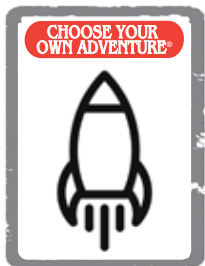

HOW IT WORKS:

The club is for adventurers of all ages and works best with groups of 5-20 club members at each meeting. The club can run weekly or monthly and can start at any time; a total of 9 books will be read throughout the course of the club.

The reading group coordinator will select a *Choose Your Own Adventure*® book to read each month or week, and the adventurers decide which path the group should take. If the group can't agree, roll a die! If it lands on an even number, do choice A; odd number, do choice B.

After reading the book, do an activity inspired by the book. We've included a list of activities to choose from, but this can be a jumping off point.

At the beginning of the Read-Aloud Book Club, print out "Adventurers' Passports" for each club member. As they participate each time, they will earn a book badge to glue in. If the adventurer completes the passport, they will receive a special package from the publisher of stickers, pens, bookmarks, and a free CYOA book of their choosing. (See further details on submitting your passport on the back of the Adventurers' Passport printout.)
