

UPTENKARA CREEK

number one:
the word tenkara

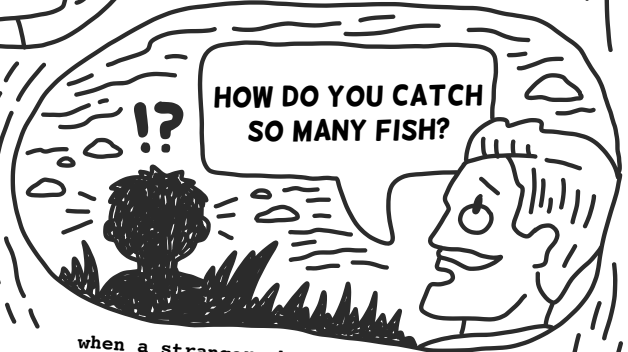

One day an angler was fishing...

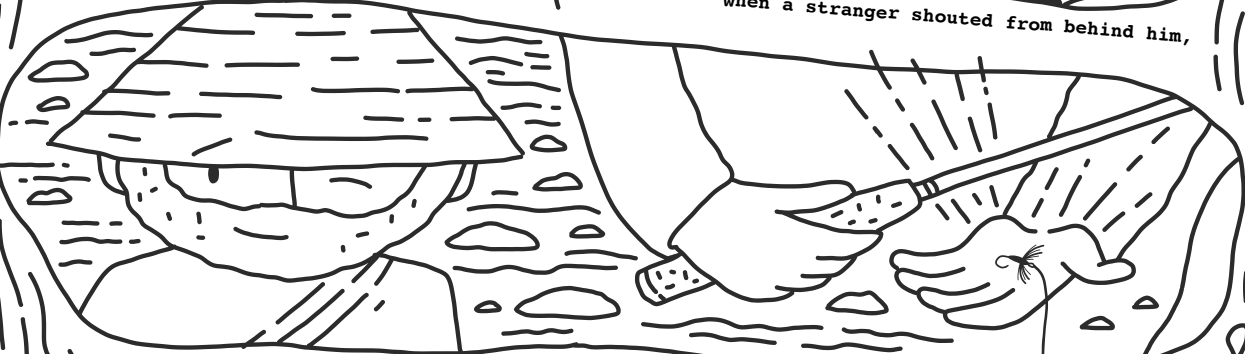

catching fish...after fish
...after fish

a boy who was unable to catch
fish was watching

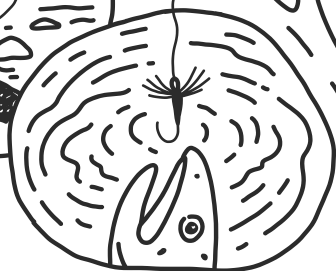

when a stranger shouted from behind him,

The angler pointed to a fly tied using a feather and thread, and said...

WHEN I CAST, THE FISH SEES
THE FLY COMING
"FROM HEAVEN"...
AND WHEN IT LANDS SOFTLY
THE FISH TAKES A BITE.

And so the word tenkara or
"from heaven" spread.
