

*“With the introduction of the new Linxs|1 Solution, we are now able to drastically lower our total cost of ownership for securely connecting our ‘remote assets’ to our ‘Internet of Things’ Cloud Infrastructure using 4G/LTE!”*

## The Linxs|1 Solution

Includes the following key-components:

### A. The Linxs|1 Mobile Router Hardware

The Linxs|1 is a small and weatherproof mobile router with a built-in cellular modem that supports 2G, 3G and 4G/LTE. Includes 1 x 802.11 b/g/n Wi-Fi radio, 1 x 10/100 Ethernet and 1 x RS232 port. Integrated MiMo 2x2 LTE and Wi-Fi antenna's. Comes with firewall, DHCP server, DNS, VLAN and VPN support and on-demand ‘open/close VPN’ functionality. Power via micro-USB or 10-57V PoE (adaptor included). Dimensions: 139 x 77 x 28.5 mm.

### B. The LinxSIM 4G/LTE SIM Card

Our ‘subscription-less’ LinxSIM card comes standard with every Linxs|1 device and already includes a monthly 4G/LTE data allowance of 100MB. LinxSIM can be used across Europe (EU28); no M2M data-roaming charges do apply. Additional ‘pooled’ 4G/LTE data will be invoiced at the end of each month at 10€/GB. LinxSIM comes with 1 private IP-address for e.g. easy access to ‘remote assets’ connected to a Linxs|1 device.

### C. The Linxs Management Cloud License

Necessary for the remote monitoring and management of your Linxs|1 devices and LinxSIM cards. Comes with real-time dashboards. OTA software updates and device configuration for one or multiple Linxs|1 devices. Central management for the LinxSIM cards; delete or activate SIM cards, create alarms in case certain 4G data-limits are reached, .... Support for multi-tenancy and different kinds of (4G data) profiles.

## Trial Kit Promo - Limited Time Offer!

### Standard Pricing

The standard pricing per Linxs|1 device is 300€ including 60-months subscriptions for both one LinxSIM card -with a monthly 4G/LTE data allowance of up to 100MB- and one Linxs Management license. This translates into a monthly TCO of  $300\text{€}/60 = 5\text{€}$  per Linxs|1 device.

### Limited Time Offer

The special “Trial Kit” introductory pricing is 250€ per Linxs|1 device and includes a 60-months Linxs Management license and 10GB of 4G/LTE EU28 data. Buy additional 4G data online. Offer limited to 1 device per EU company (VAT# required).

### Misc.

Volume discounts starting at 100 units. Optional extra's are additional 4G “pooled data” (10€/GB), an external LTE+GPS antenna (50€) and a DIN-rail kit (15€). All pricing is 21% VAT and shipment excluded. Linxs|1 availability: Q4/2018.
