These include telephone support, remote support (if applicable), the cost of carriage, labour and parts.
- 6.2 The Contractor may supply a simple loan cash register (free of charge) while affecting a workshop repair. The Contractor shall be liable for any transport costs involved.

The emergency support is available only to customers with a valid contract and can be accessed by dialing the Contractor's normal office telephone number.

If support is given outside normal business hours for equipment not under guarantee or to a customer without a maintenance contract, the Contractor reserves the right to charge at a rate per call of £60 + vat for up to 30 minutes, followed by £1 + vat per minute for any additional.
