

Farm Hand

Island Creek Oysters (ICO) is a mission-based brand engaged in promoting the development of aquaculture's role in our food systems—locally and globally.

Island Creek Shellfish Farm is the foundation of Island Creek Oysters. A well-known oyster farm in the U.S., ICSF is dedicated to producing the highest quality products possible. The farm is the fundamental part of our business and we are ever-evolving our techniques to maximize production capabilities. ICSF is eager to have employees who are happy to take on the challenge of developing the farm to its fullest potential. This is a unique opportunity to gain experience within the aquaculture field. We are looking for a seasonal employee for early Spring through December 2024. This position is scheduled Monday to Friday, 30 to 40 hours a week, starting at minimum wage. For candidates with relevant experience, pay rate is negotiable. The opportunity to continue working full time through the Winter season will be dependent on workflow and per Manager's discretion.

ROLES & TASKS:

- Seed work/grading seed
- Power washing gear
- Harvest and sort oysters
- Tide work

REQUIREMENTS:

- Able to lift at least 50 pounds repeatedly throughout the day
- Able to bend down, stand, kneel for long periods of time
- Work in all conditions, heat/cold/rain/wind
- Comfortable working on the water and in boats; ability to swim
- Flexibility of scheduling, including long days early mornings and weekend work
- Have an upbeat personality and positive attitude
- Able to do repetitive work well and efficiently
- Drivers license

STRONG PREFERENCE:

- Oyster farming experience
- Ability to operate a boat and drive a trailer.
