

Bethlehem Olive Wood & Jerusalem Stone

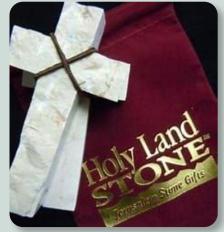

Gifts from Heart to Heart

About Our Company & Products

Holy Land Wood & Stone is owned by the husband-and-wife team of Jen and Andy Gesek. They reside in the Philadelphia area where they have raised their four kids. The Gesek's started their business in 2019 when they acquired a line of Olive Wood Products sourced from Bethlehem. In 2021, they were able to acquire the Jerusalem Stone product line and Holy Land Wood & Stone officially became what it is today.

"The history and the natural beauty of the Holy Land makes it a special place in the world. It is important to us that our products are sourced from the natural resources that reside in a place with such historical relevance. We love what the products represent and how they provide peace and serve as a symbol of eternal love to our customers across a wide range of occasions."

If you are looking for a special, quality gift for a loved one, take a look at what we have to offer. Whether you are celebrating a happy occasion, mourning a loss or separation or just want to show someone you are thinking about them, we have several great gift opportunities. Whatever occasion you choose, we thank you for letting us be a part of it.

Separation Products

Separation can occur from a change in living situations or the death of a loved one. Our Jerusalem Stone Separation Products provide a gift from the Holy Land that bridges the divide. All products are two pieces of the same stone.

When a loved one dies: One piece of the product remains in the casket with the deceased while the other piece stays with the family as a reminder of the permanent connection that remains between them.

(For an urn, use the Angel of My Heart).

When you are separated by space: Whether a loved one is going off to college, moving across coun-try or just moving across town, these make a great gift to remind the other person that you are with them and they are not alone.

The Jerusalem Stone Collection

The Jerusalem Stone Collection is created from Limestone quarried from Jerusalem. Hand chiseled and cut by artisans, these unique pieces bring a piece of the Holy Land to your home. Prices shown are for single unit orders, call for volume discounts.

Celebrating **25 Years Together**

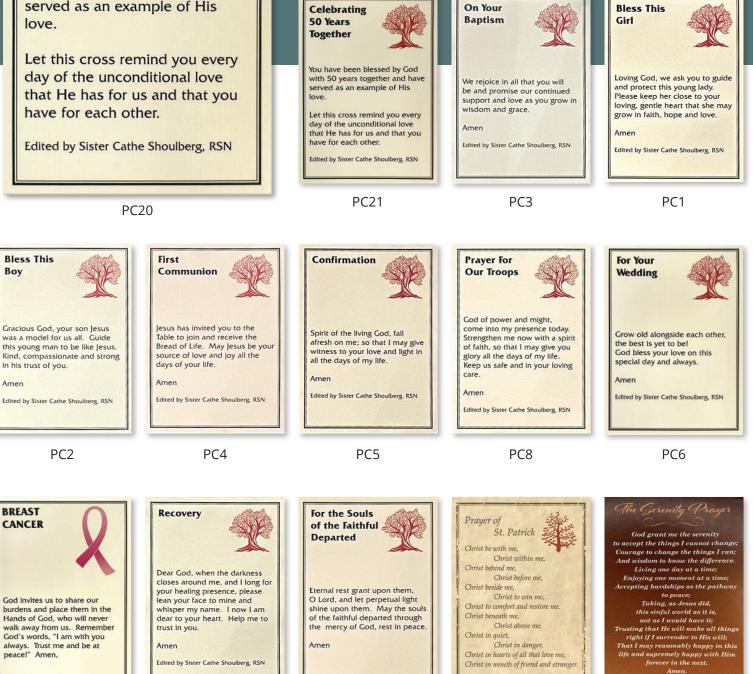

You have been blessed by God with 25 years together and have served as an example of His love.

Let this cross remind you every day of the unconditional love that He has for us and that you have for each other.
