

Multi-surface Microwave CLEANER + DEGREASER

CUTS THROUGH GREASE + CLEANS BAKED-ON SPLATTERS + STEAM-ACTIVATED

Easily removes built-up, crusty messes caused by grease, food, and grime. Special foaming trigger allows product to cling to surfaces for better and more complete coverage. Steam activation softens caked-on food residue and splatters. Leaves a light, clean lemon scent.

WORKS ON:

Microwave interiors and exteriors | Stainless steel appliances | Appliances with enamel paint | Sealed granite or marble countertops | Corian® and Formica® countertops

DIRECTIONS

Spray product generously and directly on all interior surfaces of microwave. Steam activate by pouring 1 cup of water in a microwave-safe bowl or mug and placing it in the center of microwave. Set machine on high and run until water comes to a boil (about 2–3 minutes). For best results, keep microwave closed and let cool for another 2–3 minutes — allowing steam to partner with product. Remove bowl (USE CAUTION—may be hot!) and wipe interior clean with paper towels, clean sponge, or lint-free cloth. Repeat for heavily soiled interiors. **Note:** To avoid damage to microwave, never operate your microwave while empty.

NATURAL PLANT-BASED CLEANING SYSTEM

Nuvera’s cleaner/surfactant is derived from corn, fatty alcohols from coconut and palm kernel oils, and is made from regrowable, raw materials.

- All ingredients are biodegradeable
- Environmental Working Group-Score of 1(low-hazard rating)
- Meets VOC limits established by CARB and federal government.
- No ingredients are on the Prop 65 list in California
- No dyes, colorants, or harsh preservatives
- No ammonia, bleach, phosphates or sulfates (SLS, SLES, ALS)
- No animal testing or by-products

Item UPC 790732410559
 Description Nuvera® Plant-Based
 Multi-surface Microwave Cleaner + Degreaser
 Size 24 fl. oz. (709 mL)
 Manufacturer Item Number 41055
