

Active

SOIL SHIELD

DIRT & WATER REPELLENT

Active Soil Shield Dirt & Water Repellent's advanced formula is designed to simply treat garments and air dry. It penetrates fabric fibers to create a waterproof barrier that protects against dirt and water. Nonstaining formula allows treated fibers to breathe and is perfect for all activewear and sports footwear needing protection from dirt, dust, and moisture.

USE ON:

activewear | most apparels | upholstery | carpeting | footwear | leather | nonwoven fabrics

PROTECTS AGAINST:

dirt | sweat | water | common soft surface soils and stains

DIRECTIONS:

Turn nozzle to SPRAY position. Spray generously and evenly over dry surface of clean fabric. Hang garment in open air and allow to dry for 30 minutes to 1 hour.

HOW IT WORKS:

Nuvera® *Active Soil Shield Dirt & Water Repellent* ambiantly cures to fabric fibers to create a protective coating that helps fibers repel soils, moisture, and stains without the use of heat.
