

# Active SPORTS WASH

**Active Sports Wash** is specifically formulated to get the smelly funk out of sportswear. Nuvera's *Stink-Guard Technology* effectively combats ground in dirt and embedded odors caused by foul body oils and sweat. Nuvera® *Active Sports Wash* is color-safe and doesn't interfere with sportswear performance. For use in HE and conventional washers. Safe for the environment. (For really tough stains, use Nuvera® *Active Stain Release Pre Spotter*.)

**REMOVES:**

blood | dirt | grass stains | sweat | body oils | organic pet odors

**USE ON:**

sports wear | wicking fabrics | sports bras | underwear | team uniforms | towels | sheets | pet bedding | washable footwear

**DIRECTIONS:**

Use the premarked cap to measure out ½ oz of detergent for one or two sports garments. Use 1 oz. of detergent for regular loads of athletic wear. For tough stains or hard water, use 1½ oz.–2 oz.

**HOW IT WORKS:**

Nuvera® *Active Sports Wash* uses *Stink-Guard Technology*. This break-through formulation doesn't just mask odors, it gets rid of them! It works at the molecular level with an effective odor neutralizer that absorbs organic waste and funky body odors—leaving fabrics clean and smelling fresh.
