

Active

STAIN RELEASE PRE SPOTTER

Active Stain Release PreSpotter helps keep your activewear looking its best! Removes tough dirt, stains, and odors. Safe for all fabrics and the environment.

LIFTS OUT:

mud | dirt | grass | blood | funky body odors | red clay | common stains

DIRECTIONS:

Spray on affected area until damp. Massage product into stain and let set for 10 minutes while Nuvera® *Active Stain Release Pre Spotter* works its stain-fighting magic! Wash garment according to laundry instructions.

FOR BEST RESULTS:

- Use Nuvera® *Active Dirt Guard Fabric Softener* on new sports garments before first-time use.
- For the strongest defense against dirt and odors, include Nuvera® *Sports Wash* in your wash cycle.

HOW IT WORKS:

Nuvera® *Active Stain Release Pre Spotter* uses a unique polymer with enzymes to help break down and accelerate soil and odor removal. Helps boost the effectiveness of laundry detergent. Dissolves in the wash cycle along with dirt and odors!
