

Cabinet & Wood CLEANER + POLISH

CLEANS + RESTORES + PROTECTS

Clean and revitalize your wood in one easy step — just spray and wipe. Removes dirt, grease, and dull waxy buildup to bring out wood’s natural beauty. Protects against stains, water spots, fading, and cracking. Leaves a deep, rich shine with no waxy build-up. Contains no harsh abrasives.

DIRECTIONS

Always test first on a small, inconspicuous area. Spray directly onto surface. Using a dry cloth, spread product in the direction of the wood grain. Wait 30 seconds, then wipe off excess. To remove heavy wax build-up, allow to stand 5 minutes before wiping. Repeat if necessary. Do not use on floors.

Description Nuvera™ Cabinet and Wood Cleaner
Size 24 fl. oz. (709 ml)
Manufacturer Item Number 41018
Item UPC 790732410184
