

## Hardwood Floor Polish

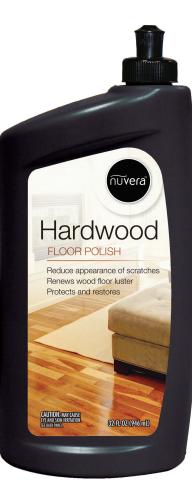

## **CLEANS + PROTECTS + CONDITIONS**

Restores the natural beauty to hardwood floors. Reduces the appearance of scratches while it renews the natural luster to your floors. Leaves a glossy finish that protects and restores.

## DIRECTIONS

Thoroughly sweep dirt and debris with broom from floor. Shake product for 30 seconds. Squirt product directly on floor and use mop to spread evenly with grain. Work on small areas at a time. Allow to dry for 1 hour. For best results, wait 24 hours for heavy traffic. Apply additional coats as needed. Rinse mop immediately.
