

Leather CLEANER + CONDITIONER

CLEANS + CONDITIONS + PRESERVES

Contains the finest natural oils for leather care. Restores new appearance and natural feel. Makes scratches and abrasions less visible. Penetrates, softens and lubricates leather. Easy to use — spray on and wipe off. Use regularly on furniture, auto upholstery, sports equipment, baseball gloves, luggage, saddlery, jackets, and boots.

- Quickly and safely removes surface dirt.
- Replenishes the oils that keep leather soft and supple.
- Leaves no oily or greasy residue.
- Prevents excessive drying and cracking.

DIRECTIONS

Always test first on a small, inconspicuous area. Wait 24 hours to determine colorfastness before treating entire surface.

For extremely dirty surfaces, wipe first with slightly damp cloth. Spray onto a clean, soft dry cloth. Rub gently into surface with a circular motion. Buff surface lightly with a clean, dry cloth. Use regularly to maintain a natural, supple condition.

Do not use on suede. Will not restore leather that is extremely aged, dried, or cracked.
