

McCaughey's™

Odor Eliminator FABRIC + AIR REFRESHER

FRESHENS AIR AND FABRICS

Exclusive Oxydair™ works quickly to safely eliminate odors in household fabrics and freshen the air. Eliminates smoke, mildew, musty, pet, cooking, and other odors. Great for carpets, fabrics, autos, bathroom floors, countertops, pet areas, gym bags, luggage, and more!

DIRECTIONS

To freshen the air, spray up and spray away from yourself in a sweeping motion. For fabrics, spray evenly until slightly damp to eliminate odors. To clean and freshen hard surfaces, such as kitchen and bathroom counters, dampen a clean sponge or cloth with product, then wipe down. Use on refrigerator, stove, sink, or any water safe surface.

Note: On fabrics that may waterspot, such as silk, test a small area that cannot be seen. Not recommended for leather.
